legend drug soma, and simple possession of oxycodone.

According to reports, Ms. Devine was involved in a single vehicle crash on Rest Camp Road and stated she was driving. She

told deputies on the scene she was Amanda Devine.

Devine was transported to the ER and once at the hospital Ms. Devine walked out against medical advice and left the property.

Trooper Daniel Morton, THP located

Devine at Chili's and started a conversation with her. She was unsteady on her feet, stumbled over her words and had difficulty forming sentences. She again identified herself as Amanda Devine, however, the drivers license photo

did not match her.

The officers on the scene of the accident found her purse in the vehicle and advised Trooper Morton of her true identity. When the lawman confronted her with her real name, she stated she lied because she had warrants in Blount County.

NCIC revealed Devine's license were suspended for multiple reasons. She did poorly on field sobriety tasks, admitted to drinking alcohol, and was subsequently arrested for DUI.

An inventory of Devine's vehicle, prior to towing revealed four Soma pills and two oxycodone pills. They were discovered in an ibuprofen bottle.

Ms. Devine stated she wasn't given the

medication by a doctor and further stated she just bought the pills.

Devine did in fact have an outstanding warrant in Blount County for violation of probation on an aggravated burglary charge and a failure to appear on a public intoxication charge.

Resignation

Office of City Recorder/Treasurer of the City of Lenoir City. This has been a very difficult decision for me but after much prayer and discussion with my family, I feel that it is the best decision. I wish my resignation to be effective December 30, 2010. I will assist the City in any way I can to make the transition a smooth one.

My reasons for resignation are very personal. My leaving this position will allow me to spend the quality time with my family that I feel they deserve.

I do ask for some consideration from the Mayor and City Council as I have been with the City for several years. I ask that I be permitted to return to my previous job in the Parks and Recreation Department.

I further request that my time in the Recorder/Treasurer's Office be counted as if I never left the previous job and I be returned to full Civil Service status with the City.

Thank you,
Bobby Johnson, Jr.

Dustin Lee Webster,
25, Corinth Church Road,
Loudon was charged

with domestic violence assault.

According to reports, early Monday morning, at approximately 12:01 AM, Deputy James R. Bowman, LCSO was dispatched to a residence on Corinth Church Road on a physical domestic call. The victim stated he and Dustin Webster, his son in law, engaged in a verbal argument over the victim's cell phone.

Mr. Webster hit the victim several times in the face with his closed fist causing three cuts and red marks to the victim's face and chin. Mr. Webster and his father in law both live together in the same residence.

Deputy Bowman noted in his report he observed bodily injury to the victim's face and chin. He had a cut on his forehead, nose, and chin. Due to Mr. Webster leav-

ing the scene before law enforcement arrived, the deputy did not make an arrest. However, he did make a report.

Deputy Bowman was dispatched back to the residence on Corinth Church Road at approximately 1:44 AM, because Mr. Webster had returned and the victim was still in fear. Webster returned to try to use the victim's cell phone again.

Deputy Bowman made contact with Mr. Webster on Steekee Creek Road in the area of the residence and placed him under arrest for domestic violence due to the victim being in fear for his life and being in fear that Mr. Webster would return to his home and cause bodily injury to him again.

Webster also was charged with violation of probation at the Loudon County Jail.

clearly spelled out in his correspondence to the Administrator. I see no reason that I should not honor his decision to resign his office.

I do feel that Mr. Johnson should remain as a City Employee. He has been with the City for a considerable number of years and has had an exemplary

record with the Parks and Recreation Department. I am prepared to recommend that he be restored to his previous position with all customary rights and privileges of an employee of Lenoir City.

In keeping with the provisions of the Charter, I will have long time City Employee/Chief Deputy Clerk, Maggie Hunt, fill the

position as Recorder Pro-Tempore until such time that I can appropriately engage the full City Council in discussion as to Mr. Johnson's resignation and the suitable filling of the position.

Thank you,
