Mother & son

A local mother and son were taken to jail when 9th DTF agents reportedly wit-

nessed the man snorting drugs and injecting drugs into his mother while the pair were in their vehicle in a drug store parking lot.

Darlene E. Fagg, 54, Branch Road, Loudon was charged with DUI 1st offense, and possession of drug paraphernalia.

Rusty A. Fagg, 32, also of Branch Road was charged with possession of drug paraphernalia.

According to affidavits filed by Agent Brendan DeBoer, 9th DTF; on Wednesday, March 23rd, 2011, DTF agents were conducting surveillance in the area of Rite-

Aide when Agent DeBoer observed a white Toyota pickup truck in the parking lot of the Rite-Aide with it's occupants acting suspiciously.

While watching the vehicle, Agent DeBoer witnessed the front seat passenger, later identified as Rusty Fagg, snorting a substance while sitting in the front seat. Just after that, the agent saw Mr. Fagg put a needle into the arm of the driver, later identified as Darlene Fagg, Rusty Fagg's mother. Ms. Fagg was found to not suffer from any medical conditions that would require a shot.

The officer made contact with the occupants of the vehicle and observed Darlene Fagg passing Rusty Fagg a hypodermic needle and Ms. Fagg's arm was bleeding from the place the needle was.

Ms. Fagg was lethargic, had trouble speaking and standing and it was obvious she was under the influence of some sort of narcotic. Due to the extreme intoxication she appeared to be under Ms. Fagg was not given field sobriety tasks.

Rusty Fagg was found to have a hypodermic needle in his lap and was also arrested.

Trio

Ninth DTF continue to rake in methamphetamine makers, users and promoters by just keeping an eye on local drug stores in the area. Three men were charged after meth components and ingredients were found in the vehicle they were in Wednesday.

Jeremiah Scott Kriner, 25, Johnston Street, Sweetwater was charged with driving on revoked and promoting the manufacture of methamphetamine.

Joey Lee Roberts, 44, Red Pond Road, Sweetwater was charged with promoting the manufacture of methamphetamine.

Stephen Tyler Rucker, 19, West Lamar Alexander Parkway, Friendsville was charged with promoting the manufacture of methamphetamine.

According to affidavits filed by Agent Jonathan Yates, 9th Drug Task Force; on March 23rd, 2011, around 12:00 PM, the 9th DTF conducted surveillance in the area of Rite-Aide in which officers saw a gray Saturn with three males inside acting in a suspicious manner.

Agent Yates followed the vehicle and watched as it turned onto Roberson Springs Road and into a driveway. The agent knew the people who live at that house and knew the occupants did not belong there.

The agent approached the passenger side of the car and made contact with Joey Roberts, who stated they were looking at a car that was for sale.

The officer asked the driver, Jeremiah Kriner, to step out of the vehicle, which he did, before being asked for his drivers license. Mr. Kriner gave a different reason for being in the area and told Agent Yates the passengers in the car had items to "make drugs."

Kriner's Tennessee identification card was checked through dispatch and found to be revoked for frequent traffic violations.

The officer then made contact with the back seat passenger and identified him as Stephen Tyler Rucker.

Kriner gave consent to search the vehicle and the lawmen uncovered ingredients for manufacturing methamphetamine, which included a box of 20 count pseudoephedrine based cold medicine, one gallon jug full of muriatic acid, a quart of unopened Coleman Fuel, a container of drain cleaner, 2 packs of unopened lithium batteries, unused coffee filters, two empty glass bottles and an empty 2 liter plastic bottle.

All three men were taken into custody and transported to the Loudon county Jail. 9th DTF Agents Brendan Deboer and Jeff Vittatoe were also on scene.

Pill Buy

A Loudon couple reportedly learned it was a bad idea to arrange a pill buy where a meth sting conducted by the Ninth DTF was underway.

William Hout, 28, Hickory Creek Road, Lenoir City was charged with sale/delivery of schedule III.

Natalie Sue Lee, 27, also of Hickory Creek Road was charged with possession of schedule III.

According to affidavits; On March 23rd, 2011, 9th DTF Agent Jeff Vittatoe stopped a 2007 Mazda 3 on Highway 72 in Loudon after the vehicle was observed by 9th Drug Task Force agents making a hand to hand exchange in the parking lot of the Rite Aide.

Upon speaking with the passenger, William Hout, Hout advised he purchased 19 suboxen from Mark Manchester at the Rite Aide.

Mr. Hout stated he arranged and made the purchase for his former girlfriend, Natalie Lee, who was the driver of the vehicle.

Upon speaking with Natalie Lee, Lee eventually told investigators she had 18 suboxen pills hidden in private areas of her person.

Officer April Farmer, LPD responded to the scene and was given the pills by Natalie Lee.
