gas pump still inside the vehicle. The clerk pointed out the vehicle, which was waiting to turn out of the parking lot onto Hwy 321. It was a gray vehicle and was stopped before it could exit the parking lot.

The deputy made contact with the driver, Evan Michael Ennis who had red watery eyes and was acting very confused when asked what was going on.

Mr. Ennis reported he did not know why he drove off with the pump still inside his vehicle. The deputy reported he smelled the odor

of marijuana coming from inside the vehicle. Ennis was very unsteady on his feet and performed poorly on sobriety tasks.

A search produced a little white container that contained a green leafy substance believed to be marijuana. A further search produced more of the same substance. A blood test was taken at the ER.

Evan Michael Ennis, 30, of Preddy Drive, Indianapolis, IN, was charged with DUI simple possession, possession of drug paraphernalia and vandalism. Deputy Robbie Lane, LCSO made the arrest.

presence in my life. I desire to be more like Paul, more like Jesus, and less like me.

Instead of describing the event and giving my opinion I want to share this story straight from God's word and only ask that you consider your own Christian walk. Please read it slow and think of what it must have been like to be Paul.

Acts 20: 16-24 (NKJ)

16 For Paul had decided to sail past Ephesus, so that he would not have to spend time in Asia; for he was hurrying to be at Jerusalem, if possible, on the Day of Pentecost. 17 From Miletus he sent

to Ephesus and called for the elders of the church. 18 And when they had come to him, he said to them: " You know, from the first day I came to Asia, in what manner I always lived among you, 19 serving the Lord with all humility, with many tears and trials which happened to me by the plotting of the Jews; 20 how I kept back nothing that was helpful, but proclaimed it to you, and taught you publically and from house to house, 21 testifying to Jews, and also the Greeks, repentance toward God and faith toward our Lord Jesus Christ. 22 And see, now I go bound in the spirit to Jerusalem, not know-

ing the things that will happen to me there, 23 except that the Holy Spirit testifies in every city, saying that chains and tribulations await me. 24 But none of these things move me; nor do I count my life dear to myself, so that I may finish my race with joy, and the ministry which I received from the Lord Jesus, to testify to the gospel of the grace of God.

Each of us as Christians received the same instructions that Paul did from Jesus, to go and testify to the gospel. Paul went on to Jerusalem where he was beaten, put in prison and chained while preaching to his accusers, the courts and the jailers. He was eventually released, kept preaching, imprisoned again, beaten again and eventually

killed. And he was glad to do it!

We have no danger in America of getting harmed or imprisoned for sharing our faith in Christ but many of us still don't do it. The only thing standing in our way is the sin we can't let go of and our own pride. Paul wasn't from heaven or super-human. He was responsible for the persecution, beatings and murders of Christians before Jesus changed him, forgave him and told him to go and share the gospel to all nations. Paul realized how big and how real Jesus is and how important His work should be in our lives. Do you?

If you don't know Jesus and have never accepted Him into your life as your personal Savior I invite you now to consider this most important decision. I invite you to contact me

at jeffvittatoe@yahoo.com and I will meet and share with you, or talk to a Christian in whom you trust will be honest with you concerning your salvation. It truly is the most important thing you will ever do. Thanks for reading.
