promotion of methamphetamine manufacturing, simple possession of schedule II controlled substance, and possession of drug paraphernalia.

Lisa Irene Hafley, 45, Chestua Road, Madisonville was charged with failure to appear out of Monroe County.

According to records, Officer Kevin Condee,

LCPD responded to Walgreens Friday evening concerning suspicious persons purchasing pseudoephedrine. When the officer arrived on scene, he observed a man and woman matching the description leaving Walgreens and getting into a green Jeep Cherokee.

The officer stopped the jeep as it attempted to leave the parking lot. The driver, Dennis P. Moore,

was advised of his Miranda Rights and then questioned about the reason for his pseudoephedrine purchase.

Moore admitted to buying pseudoephedrine, but said it was for a cold. Mr. Moore's passenger, Lisa I. Hafley, also bought pseudoephedrine.

Moore gave the officer consent to search the vehicle. A plastic baggie corner, containing two

pills, identified as oxycodone, one unidentified pill, a metal case containing a razor blade, plastic cards, and portions of drinking straws with powder residue inside them were found in the center console.

There was also aluminum foil in the console, which is a known precursor in the manufacture of methamphetamine.

A box of cold medication containing pseudoephedrine was found in the passenger floor board and a package of four Lithium batteries was discovered hidden in the springs underneath the driver's seat, another known methamphetamine precursor.

Officer Condee transported Moore to the Loudon County Jail. Of-

ficer Allen Bean, LCPD transported Hafley.

Griffis

According to an affidavit filed by Detective Jonathan Sartin, LCPD; on or about May 19th, 2011, Detective Sartin found out Mr. Griffis moved on May 16th, 2011 from 308 West 5th Avenue, Lenoir City.

As a convicted, registered sex offender, Griffis has rules and knows he has 48 hours to report any changes, however, he never showed up within 48 hours to report he had moved.

Mr. Griffis is also required to pay \$150 in annual fees to the Lenoir City Police Department and has failed to do so.

Detective Sartin made the arrest Thursday at City Court.

She enjoyed a forty year career as an educator, advancing from classroom teacher, to Speech Pathologist and then to School Psychologist. She was employed by the Southington, Berlin, and Bristol school districts. Nancy was a member of the American Speech and Hearing Association, as well as a Board Member of the Community Mental Health Affiliates in New Britain, CT. She formally retired from the Bristol School System in 2001. However, through the Capitol Region Education Council, Nancy continued to work in the Connecticut Schools for several years. While living in Connecticut, Nancy was an active member

of Southington Community Theatre, participating in several productions, acting and serving as Stage Manager, and also serving on the Community Theatre Board. She enjoyed horseback riding, golfing, live theatre, and especially took pleasure in traveling. After her move to Tennessee, she was an active member in the Tellico Village New Villagers Club, and served as its membership chairperson. Although she only spent a short time living in Tellico Village, she was very happy exploring the area and making new friends. Nancy took pleasure in the simple joys of spending time with her family. She will be sorely missed by her family: her devoted companion Robert Ellis, her son Charles Rubano of New Milford, CT; her daughter and son-in-law Michele and Stephen Mayo and her dear grandson Alexander Mayo, all of Derry, NH. She is also survived by her brother, Paul F. Gormley of Zelenople PA, a niece and several nephews, who reside in the Pittsburgh area. A memorial service will be held on Saturday May 28, 2011 at 11 a.m. at the Tellico Village Community Church. Dr. Tim Meadows will officiate. In lieu of flowers,

memorial donations may be made to The University of Tennessee Medical Center, Office of Development, 1520 Cherokee Trail, Suite 110, Knoxville, TN 37920-2205

TDA
Tennessee Agricultural Enhancement Program. Applications can be submitted June 1-7 and should not be postmarked prior to June 1.

"The Ag Enhancement Program remains strong and is important for helping farmers make strategic investments that will pay off in the long run," said state Agriculture Commissioner Julius Johnson. "I encourage farmers to apply at the beginning of the application period as we expect another year of high demand for these cost share opportunities."

This year's program offers the same menu of cost share opportunities as last year. This includes the livestock equipment, cattle genetics, hay storage, feed storage, grain storage

and producer diversification opportunities. To date, TAEP has provided cost share funds for more than 21,000 projects.

TAEP was established in 2005 and supported by the General Assembly to increase farm income by helping farmers invest in better farming practices and by encouraging diversification and innovation. Through TAEP, farmers can qualify for 35 or 50 percent cost share, ranging from a maximum of \$1,200 to \$15,000 depending on the project.

Applications are available at most farm agencies including USDA Farm Service Agency, UT Extension and Farm Bureau offices, as well as most farm supply stores. To ensure accuracy, producers are encouraged to work with their local extension agent or local TDA representative when completing the application.

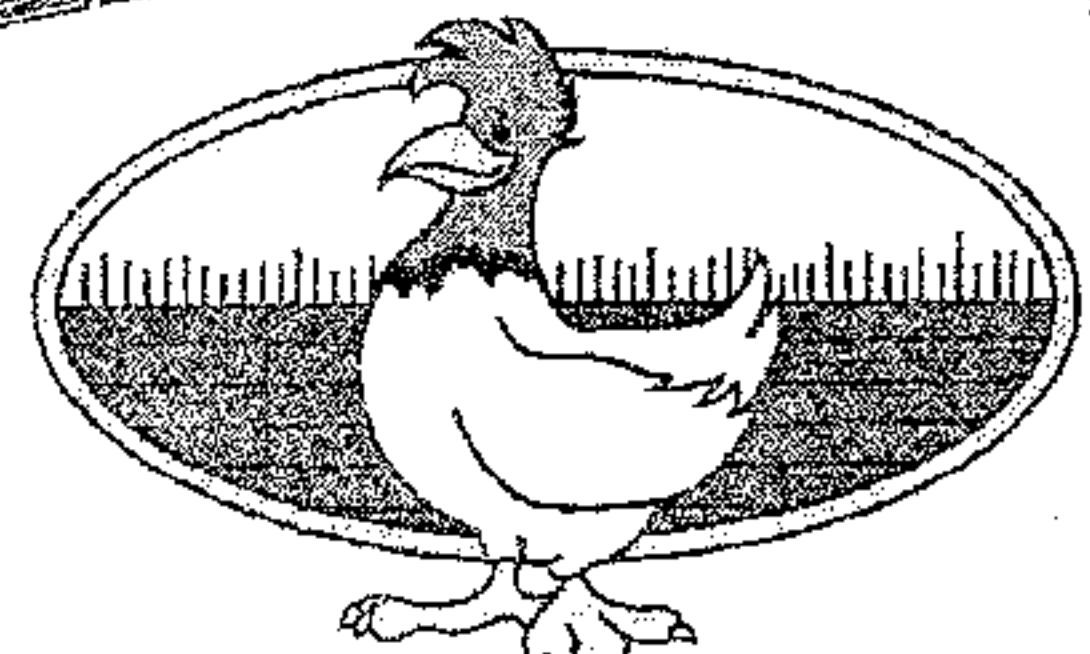

Producers can get important messages and updates on the program by calling 1-800-342-8206. For more information or to download an application, visit www.TN.gov/agriculture/enhancement.

All About You Home Care LLC is taking applications for CNAs and sitters. Background check and random drug test. Must have CPR and first aid training. For more info call Geneva at 865-237-1137.
