

Verse of the Day

Is not the cup of thanksgiving for which we give thanks a participation in the blood of Christ? And is not the bread that we break a participation in the body of Christ?

Rebecca "Becky" Watkins

Candidate for City Council
 November 6, 2012
 Early Voting: October 17-November 1

I'M COMING TO YOU ONCE AGAIN TO ASK FOR YOUR VOTE to allow me to represent you on the Lenoir City Council for the next four years. (We came within thirty-nine votes of winning the vacant seat in the 2010 election.)

TALKING POINTS

- FINANCES:** I have over thirty years experience in Administrative Assistant and Executive and Financial Secretarial positions. I have studied the City Budgets and Annual Audits of the past few years. We CANNOT CONTINUE to borrow and overspend taxpayers' money under the assumption that our economy is going to improve!
- HIRING:** I think it is time we tell City Council that THE CITY AND LCUB JOBS ARE NOT THEIR JOBS TO GIVE AWAY! The Lenoir City government is not a family business and should not be run as if it were. We need a hiring policy that would insure equal opportunity for anyone to apply and be considered according to merit for every open position in the future. (This would not affect current employees.)
- CONFLICT OF INTEREST:** I would like to see us return to the original intent of the City Charter that made the City Council and the LCUB Board two separate groups of individuals. As it is now, it is not uncommon for the Council/LCUB Board to pass a motion serving as one entity, and vote to pass the motion on to THEMSELVES for their own additional approval, serving as the other entity. (To sit in a meeting and see this take place is unbelievable.)
- ACCOUNTABILITY:** I believe we need an appointed Ethics or Oversight Committee that would consist of at least ten city residents who are not related to (or business affiliates of) the Mayor or any member of City Council. (Presently, the City Attorney oversees ethics in our City government. The City Attorney is hired by the City Council.)
