The Good News

by Jeff Vittatoc

How Will We Respond?

if not years from now by many.

I have had numerous storm related topics cross my mind

This past week I have spent several hours watching news coverage regarding Hurricane Sandy, as many of you probably have as well. I watched intently as folks prepared for the storm, weathered the winds and water, and now as they assess their homes, property, businesses and their lives after this disastrous event.

There were lives lost, homes flooded, communities burnt to the ground and tons of sand tossed into the streets. There will be folks without a place to live, many without power for days if not weeks, and others unable to get from place to place by cars, buses, trains, subways or even by plane in and around the damaged areas. The effects of this storm will be felt for months.

for this weeks Good News. I have considered discussing some reasons why this could have happened, what can be learned from it and even how blessed we are that it didn't effect us. I have prayed and asked God to give me direction and guidance in how to use this event to speak to Christians and to the lost. I have struggled with how to approach, or even if to approach this subject within this article..... Until now.

I woke up this morning at 5:00 a.m. to the sound of my alarm. As I picked up my phone and fumbled for the snooze button I saw that I had received an email during the night from the Tennessee Baptist Convention Disaster Relief Program.

Upon reading the email (see The Good News pg. 5)

Rebecca "Becky" Watkins
Candidate for City Council
November 6, 2012
Early voting: October 17-November 1

I'M COMING TO YOU ONCE AGAIN TO ASK FOR YOUR VOTE to allow me to represent you on the Lenoir City Council for the next four years. (We came within thirty-nine votes of winning the vacant seat in the 2010 election.)

TALKING POINTS

1. **FINANCES:** I have over thirty years experience in Administrative Assistant and Executive and Financial Secretarial positions. I have studied the City Budgets and Annual Audits of the past few years. We CANNOT CONTINUE to borrow and overspend taxpayers' money under the assumption that our economy is going to improve!

2. **HIRING:** I think it is time we tell City Council that THE CITY AND LCUB JOBS ARE NOT THEIR JOBS TO GIVE AWAY! The Lenoir City government is not a family business and should not be run as if it were. We need a hiring policy that would insure equal opportunity for anyone to apply and be considered according to merit for every open position in the future. (This would not affect current employees.)

3. **CONFLICT OF INTEREST:** I would like to see us return to the original intent of the City Charter that made the City Council and the LCUB Board two separate groups of individuals. As it is now, it is not uncommon for the Council/LCUB Board to pass a motion serving as one entity, and vote to pass the motion on to THEMSELVES for their own additional approval, serving as the other entity. (To sit in a meeting and see this take place is unbelievable.)

4. **ACCOUNTABILITY:** I believe we need an appointed Ethics or Oversight Committee that would consist of at least ten city residents who are not related to (or business affiliates of) the Mayor or any member of City Council. (Presently, the City Attorney oversees ethics in our City government. The City Attorney is hired by the City Council.)

woods led officers to five marijuana plants.

Lord Nicholas Jackson, 21, of Grandview

The Good News

from Randy Davis, the Executive Director - Treasurer for Disaster Relief, I was reminded that while I was merely thinking about these

folks on the East coast, pondering how there could be "Good News" during such a disaster, there were Christians in Tennessee making plans to "Go, and make disciples".

I was informed that the Tennessee Baptist Convention Disaster Relief would be assigned to assist in a huge geographical area of response that includes Massachusetts, Connecticut,

Rhode Island, Vermont and Maine.

In all of the reports that I had watched and read, I hadn't even heard about major damage in any of these areas. "It's even worse than being reported!" I thought to myself.

As I was casually considering how to write about this event, there were real Christians out there coordinating, planning and establishing sites in which to base operations of relief efforts! Talk about loving like Jesus!

There will be numerous crews from Tennessee going to these locations including chain saw crews, mud out crews, food services, laundry services, chaplains, assessment crews, construction crews and others that I am not even aware of. It is also important to note that each of these crews will do this for free! Folks will be using their vacation time from work, driving their own vehicles, buying their own fuel, and driving 2000 miles from Tennessee to go rebuild churches, homes and lives, to encourage other Christians and to share the gospel of Jesus Christ with others who may not have accepted Jesus as their Savior..... YET!

Hebrews 13:15-16 (NKJV) (15) Therefore by Him let us continually offer the sacrifice of praise to God, that is, the fruit of our lips, giving thanks to His name. (16) but do not forget to do good and share, for with such sacrifices God is well pleased.

Philippians 2:4 (NKJV) Let each of you look out not only for his own interests, but also for the interest of others.

1 John 3:16-19 (NKJV) (16) By this we know love, because He laid down His life for us. And we also ought to lay down our lives for the brethren. (17) But whoever has this world's goods, and sees his brother in need, and shuts up his heart from him, how does the love of God abide in him?(18) My little children, let us not love in word or in tongue, but in deed and in truth.

Many of you may not

be trained as disaster relief workers, you may not be able to leave your homes or jobs to go assist our brothers and sisters who are suffering so badly, and maybe you aren't even a Baptist. So what can you do to help those who are suffering? How can you get involved?

I am so glad you asked! The number one way that each of us can assist the hurting is by bowing before the Creator of the universe and praying that God will provide for their needs. Pray that God will make a way for folks from our community to go and help. Pray that they will not just fulfill physical needs but will share the love of Christ as they go. Pray that God will prepare the hearts of those effected and place them in the path of a Tennessee Christian who has The Good News of Jesus Christ on their heart and their lips.

You may want to sacrifice one trip to McDonalds and stop by the Loudon or Roane County Baptist Association office and make a small donation for disaster relief. A small sacrifice from each of us will help provide fuel, food and materials that otherwise will come from the pockets of the ones already committing to go.

The sun is just coming up and I am excited about what I learned this morning! I am excited to share this opportunity with you and hope you will not just read it and agree but truly sacrifice your prayers, your time, a few of your dollars, and your encouragement to those who may go from our communities. I plan to sacrifice a little of each and I hope God makes it possible at some point for Blondie and I to actually go participate with one of these crews in the coming weeks or months.

Let's do more than talk, let's love em like Jesus loves us. It's one thing to be a Tennessee Volunteer, but a Tennessee Volunteer that is also a motivated Christian is a "whole nuther thang"!

Lets pray..... Lets give..... Lets GO!

limit for antlered bucks is three. No more than one antlered deer may be taken per day. Hunters are allowed the following antlerless bag limits: Unit A - 4 antlerless deer; Unit L-3 antlerless deer per day and Unit B-1 antlerless deer.

For the exact boundaries of the different deer units, hunters can refer to the 2012 Tennessee Hunting and Trapping Guide, available where hunting and fishing licenses are sold and at all TWRA offices. The guide can also be viewed at TWRA's website at www.tnwildlife.org.

Muzzleloading firearms of .40 caliber minimum plus long bows, compound bows and crossbows are legal hunting equipment for this season.

Resident hunters, ages 16 through 64 must possess in addition to other appropriate licenses, an annual big game license for the equipment used. Lifetime Sportsman license, Junior Hunt/Trap/Fish, Adult Sportsman license and Permanent Senior Citizens license holders are not required to purchase supplemental big game licenses.

In addition to private lands, including public hunting areas, several wildlife management areas (WMAs) will be open to hunters during this muzzleloader season. Hunters need to refer to the 2012 Hunting and Trapping Guide for a listing of these WMAs or go to TWRA's website.

Tennessee's gun season for deer opens on the Saturday before Thanksgiving. This year's date is Nov. 17.

Leo 7/23-8/22
Listen to what your friends have to say today -- it's important! Things are likely to get a little weird for you before much time elapses, but their good advice can keep you from falling.
