Dead Man's Gun Misplaced

On September 10, 2012 my little and only brother lost his life to a gun shot wound to the chest.

Before or after his death his rolled up money with a rubber band around it in his left pocket was misplaced. He also had a small .38 Smith & Wesson pistol, one of two he owned, which was misplaced from his right pocket. His pistol could have been traded or sold on September 10th or shortly after.

I would like to pay the person that may have it \$200 to get it back. No questions asked. I don't want to know your name or how you got it. I would like to have it back cleaned of all fingerprints unloaded with the bullets in a bag.

Also, I do not have a Private Investigator following anyone. I have already told all what the Lord has told me from day one. There is nothing which has been concealed which will not be revealed and no secret which will not be known.

In other words, you can hide your secrets from people for a little while, but God sees All and He will bring it in to the light for all to see.

From June to August Ronnie Jaynes actions were a repeat of almost 14 years ago. The same as then, he may have told his friends that if he died in a certain way and it looked like an accident not to believe it. If he has told any of his friends something like that within the last three months of his life Please Call his oldest sister Tammy at 865-986-6018. If you have the pistol please call the same number. It was part of my brother for many years and I would like to have it back.

On a final note, my brother Ronnie had a heart like our mother. He loved his family and his friends. He would go a step farther and tell us he liked us with a smile and we all loved him more than he knew.

Thank You from Big Sister of Ronnie Ray Jaynes, Tammy. Please call if you have any information 865-986-6018.

Trout

Tennessee waters from December through March.

The program provides numerous close to

home trout fishing opportunities for Middle and West Tennessee anglers during the winter months. These fisheries also provide a great op-

portunity to introduce children or first-time anglers to fishing.

The previously scheduled Dec. 14 stocking on the Harpeth River

in Franklin has been postponed. The shoreline around the former location of the old dam removed over the summer is being re-vegetated. Officials want a few more weeks for the vegetation to take hold in the area. The Jan. 25 stocking at the site is expected to take place as scheduled.

The trout will average about 10 inches in length. The daily creel limit is seven, but there is no size limit.

TWRA has announced a list of locations to receive stockings in this year's program. Please note that the dates and locations are subject to change.

Registration

Agency's website.

On the TWRA website, those wishing to register for a class will click the "register for a hunter education class" link. Once clicking the link, there will be directions to search for hunter education classes closest to your area.

Registration must be

completed prior to the starting date of a class to ensure a spot in a particular class. For those persons without computer access, they are encouraged to visit a local library or call a TWRA regional office for further assistance.

Advance registration provides more time for instructors to devote to students. It also provides a quicker method for the registration process.

Police Beat

Justin Alan Keith Caywood, 22, of Miser Station Road, Friendsville was charged with driving on suspended.

According to the report, Deputy Billy Lewis, LCSO observed a white vehicle fail to stop at a stop sign and a check showed the tag was for a different vehicle.

Upon stopping the vehicle, Caywood was found to have a suspended license. Deputy Billy Lewis, LCSO made the arrest.

Horoscopes

Capricorn 12/22-1/19

Try to check into the deeper, weirder aspects of today's mystery - with a little research, you can figure out exactly what's going on and what you need to do to make it right.

Aquarius 1/20-2/18

You feel better about some old situation that has long since stopped bothering anyone else. It's a good time to leave behind old baggage and look to the future in a new way. Have fun!

Pisces 2/19-3/20

You need to take on a new project, but that doesn't mean that you need to commit yourself to it completely. Ask big questions, take a long break, and make sure that your people know what they need to do.

Aries 3/21-4/19

Let go of your own goals and plans today -- but just for now. You need to step up and help someone in need, possibly a kid or someone else who hasn't been around as long as you have.

Taurus 4/20-5/20

Your great personal energy makes art and culture more appealing -- but there's nothing like music to make your soul sing! Live music is best, but even the tunes at the dentist can take you away!

Gemini 5/21-6/21

Has an old friend or colleague been languishing in your inbox for too long? Now is a great time to release

them and write back - even if it feels weird.

Old connections are more valuable than ever now!

Cancer 6/22 7/22

A nagging question is answered early today -- and you need to spread the word! Your ideas are sure to make people question their own pre-suppositions, and that could be good for all of you.

Leo 7/23-8/22

How's your cash flow? You need to make sure that you're on top of it, even if it feels weird or you're behind where you want to be. A budget can't solve problems, but it can get you back on track.

Virgo 8/23-9/22

Show off a little -- lord knows you deserve it! You pulled off something big that just came to light today (maybe even to you), and there's no reason not to celebrate. Go for it!

Libra 9/23-10/22

If you have to look at one more spreadsheet, you may very well explode! Today is all about details, but unfortunately, you just don't have the patience for them. Take a deep breath and keep moving.

Scorpio 10/23-11/21

Your social circles are also your life support systems today -- and they are more than up to the task! Your own energy is good, but it really comes alive when you spend time with your people!
