It ain't natural for a deer to approach a

work crew for some petting and quite possibly snacks, so whoever tamed the young buck hanging out & visiting people in a particular neighborhood designed for the rich and over-privileged should know they've most likely

signed the critter's death warrant and he's sure to become someone's kill. And he'll be an easy kill, at that. Just sayin'...

**Dead Man's Gun Misplaced**

On September 10, 2012 my little and only brother lost his life to a gun shot wound to the chest. Before or after his death his rolled up money with a rubber band around it in his left pocket was misplaced. He also had a small .38 Smith & Wesson pistol, one of two he owned, which was misplaced from his right pocket. His pistol could have been traded or sold on September 10th or shortly after.

I would like to pay the person that may have it \$200 to get it back. No questions asked. I don't want to know your name or how you got it. I would like to have it back cleaned of all fingerprints unloaded with the bullets in a bag.

Also, I do not have a Private Investigator following anyone. I have already told all what the Lord has told me from day one. There is nothing which has been concealed which will not be revealed and no secret which will not be known.

In other words, you can hide your secrets from people for a little while, but God sees All and He will bring it in to the light for all to see.

From June to August Ronnie Jaynes actions were a repeat of almost 14 years ago. The same as then, he may have told his friends that if he died in a certain way and it looked like an accident not to believe it. If he has told any of his friends something like that within the last three months of his life Please Call his oldest sister Tammy at 865-986-6018. If you have the pistol please call the same number. It was part of my brother for many years and I would like to have it back.

On a final note, my brother Ronnie had a heart like our mother. He loved his family and his friends. He would go a step farther and tell us he liked us with a smile and we all loved him more than he knew.

Thank You from Big Sister of Ronnie Ray Jaynes, Tammy. Please call if you have any information 865-986-6018.

## Horoscopes

-- it's trying to steer you in a new direction. Of course, it can't just come right out and tell you what to do, so you may have to watch out for weird, subtle clues.

*Capricorn 12/22-1/19*  
This is a good time for introspection. Have you thought through your current plans, or are you just running on autopilot? Close your door and let your mind wander through all the possibilities.

*Aquarius 1/20-2/18*  
Your working life is getting a little stranger today -- so make sure that you're focused on the future! You may be just one or two steps away from a big career move that could make life a lot more interesting.

*Pisces 2/19-3/20*  
Your working life is getting a little stranger today -- so make sure that you're focused on the future! You may be just one or two steps away from a big career move that could make life a lot more interesting.

*Aries 3/21-4/19*  
Though you're a little fuzzy on the details, for the most part you are pretty sure that things are going your way. Make sure that you're in touch with your people -- they have key info you need later on.

*Taurus 4/20-5/20*  
You've got an intensity that other people sometimes find intimidating -- like today! Try not to worry too much about their reactions, though, as you just need to do things your way for the time being.

*Gemini 5/21-6/21*  
Help out around the

house or office today -- even if it's a day off for you. Things are getting better, but your assistance is required before anything really good can happen. Go for it!

*Cancer 6/22-7/22*  
You are seeing the positive side of almost everything today -- which makes you indecisive! That can be a problem if you have to take action soon, but it may just mean it's time to rethink everything.

*Leo 7/23-8/22*  
Someone's got you baffled in a big way, and you may find that your energy is better spent on finding ways around them than it is on delving deeper and deeper until you finally reach the center.

*Virgo 8/23-9/22*  
The factors you can't see are starting to outweigh those you can, so make sure that you're trying to account for all possibilities. It's a little weird at first, but it gets easy pretty fast.

*Libra 9/23-10/22*  
Take today's big crisis seriously -- even if you're the only one who does. Things are sure to get better soon, but only if you step up and take charge of the situation. Your reward comes tomorrow!

*Scorpio 10/23-11/21*  
Someone may feel a bit pushed to one side by your intensity, but at the same time, they find themselves drawn even closer despite their instincts. This is good for you -- but it's even better for them!
