 Christopher C. Watson was at a residence on Martel Road Wednesday, around 2:28 PM, and having active warrants out of Knox and Loudon Counties for

Watson's arrest, he responded to the residence.

Deputies Bowen, Williams and Tinnell approached the house, with Deputy Bowen at the front door and Wil-

liams and Tinnell at the rear of the residence. Bowen knocked on the front door and reported he heard movement in a room to his right in the front of the residence before he heard loud

verbal commands from the rear of the residence for Mr. Watson to stop.

Watson continued and exited the house through a window on the side of the residence and started running east towards Knox County.

Deputy Bowen gave chase on foot and gave loud verbal commands for Watson to stop, but he continued onto the railroad tracks, then left the tracks and ran into the woods where he crossed a field into another wooded area.

By that time, other Loudon County and Knox County Sheriff's Office units and the Knox County Air Watch Helicopter had responded to the area and had set up a perim-

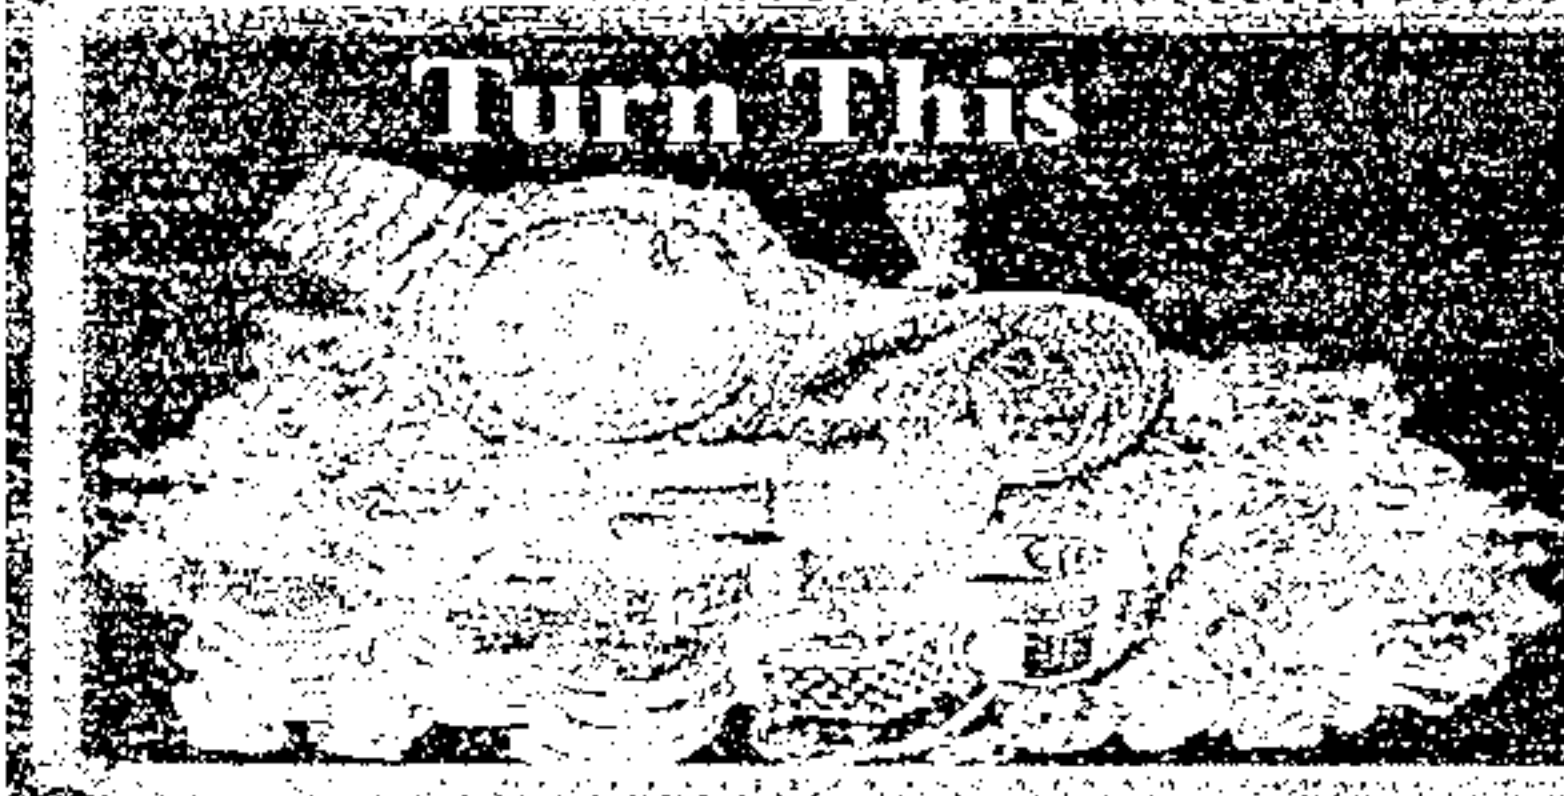

eter. During the search of the area, Lt. Paul Curtis, LCSO made contact with Watson on Virtue Road and placed him into custody.

Deputy Bowen responded to the location and took custody of Watson then transported him to the Loudon County Jail.

On Thursday, Detective Jonathan Sartin, LCPD went to the jail to serve Watson the theft warrant.

According to that affidavit, on or about June 6, 2012, Mr. Watson went to Walmart where he took spark plugs and other items and walked out of the store past all points of sale without paying.

The total amount was \$18.37.
