To those who like to block the road that runs behind the 300 block of East Broadway where the barbershop and garage are located in downtown Lenoir City: when you are putting other drivers in danger because they do not realize you are parked on a thru road (like the

guy in the two tone purple/silver car with the bad paint job Monday morning), don't just sit there like you are oblivious to the traffic hazard you are causing-at least wave or something!

orderly conduct.

According to reports, Officer B. Burley, LCPD conducted a traffic stop on a white Mazda Protege Tuesday, on South C Street for driving without headlights. The driver, Mr. Stokes, was noticeably nervous and sweating profusely.

Officer Burley ordered him out of the vehicle and asked for permission to search. A pat down search for weapons on Mr. Stokes revealed an unlawful butterfly knife, and Stokes was detained.

Mr. Stokes began yelling and screaming very loud at people on the next street over, then refused to give consent to search the vehicle.

Officer K. Sennet, LCPD and his K-9 partner Dagger were deployed on the vehicle and Dagger alerted

to the trained odor of narcotics on the driver's side near the door where Mr. Stokes was sitting.

Mr. Stokes was placed in the patrol unit while he was being detained due to his continued screaming and causing alarm in the vicinity.

After receiving the alert from Dagger a search of the vehicle revealed one glass pipe commonly used for smoking marijuana with residue inside it and one syringe without the needle tip.

Mr. Stokes was placed under arrest and transported to the Loudon County Jail.

Police Beat

Katherine Elizabeth Timmerman, 'aka' Kate Sells, 24, Dewitt Drive, Lenoir City was charged with DUI, speeding and light law.

According to reports,

Officer B. Brown, LCPD noticed a white Subaru Legacy with an inoperable headlight being driven by Ms. Timmerman on Harrison Road. The vehicle was clocked on radar at 51 mph in a 30 mph zone.

Officer Brown stopped it on Old 95 at the Lenoir City High School and asked Ms. Timmerman why she was driving so fast. She stated because of the medication she was on. Ms. Timmerman then proceeded to hand the officer four prescription bottles.

The bottles contained 18 gabapentin 800 mg, 9 lamotrigine 25 mg, 2 bupropion 100 mg and 15 amoxicillin 500 mg. All four bottles were prescribed to Ms. Timmerman.

The officer noted in his report Timmerman had an odor of an alcoholic

beverage on her breath and when he asked her if she had been drinking, she replied she'd had a glass of wine.

Ms. Timmerman performed poorly on filed sobriety and was taken into custody. The implied consent advise-

ment was read and she consented to give blood.

Brown

vated assault, possession of drug paraphernalia and simple possession of schedule VI marijuana.

According to reports, Lt. Adam J. Yokley, LCSO responded to Rest Camp Road Sunday, around 6:07 PM, on a possible assault. The complainant stated John Wayne Brown had been to his house three or four times that day and at one point they got into a fight. The last time Mr. Brown came over he had a stick.

The complainant handed Lt. Yokley what appeared to be a handle off some type of tool with black duct tape on the ends and he advised Mr. Brown tried to hit him with the stick. He took the stick away from him and then

Brown got into a fight with another man at the residence.

Another witness stated John Wayne Brown had come to the house and had threatened everyone there with a club. The complainant sustained injuries to his right forearm and stomach.

All witnesses stated Brown was asked repeatedly to leave the residence.

Mr. Brown had a strong odor of alcohol on his person and was taken into custody. While enroute to the Loudon County Jail Lt. Yokley noticed Mr. Brown moving around in the back seat and observed him getting a plastic bag containing a green leafy substance from one of his pockets. The lawman stopped his patrol unit on Broad-

way near the Sonic and removed Brown from the vehicle.

Brown refused to tell the officer where he put the plastic bag so he was searched. The bag was located in the crotch area of Brown's shorts.

Brown was physically put back into the vehicle after refusing to get back in. While enroute to the jail once more, Brown began banging his head on the cage of the patrol vehicle causing three cuts to his forehead that were bleeding.

Once in the jail, Lt. Yokley found 4 packs of rolling papers used to smoke marijuana. The confiscated marijuana weighed approximately three to four grams.

Gibson

Corporal Michael Wil-

son, LCSO contacted Detective Jason Diles, Kentucky State Police, and Detective Diles faxed copies of active warrants on Mark Clay Gibson for 1st degree sexual abuse.

Detective Diles also faxed down copies of the hit confirmation from NCIC and a wanted person extradition agreement stating Kentucky will pick up from all states except Alaska and Hawaii.

Police Beat

Joseph Jordan Seigle, 29, Jerry Cardin Lane, Friendsville was charged with driving on revoked license and failure to appear.

According to records, Deputy Robbie Lane, LCSO observed a red Ford Explorer, traveling west on Highway 321 at a high rate of speed.

Radar clocked the vehicle at 63 mph in a 45 mph zone. The deputy conducted a traffic stop at St. Thomas Way and identified the driver as Joseph J. Seigle.

Mr. Seigle handed the lawman a Tennessee ID and when asked if he had a drivers license Mr. Seigle stated he had a restricted license.

A check of his ID came back as being revoked for DUI and a check for warrants revealed Mr. Seigle had a failure to appear in court for allowing an unlicensed driver to drive. He was arrested on the charges and received a citation for speeding.

Deputy C. Matthews, LCSO later served Mr. Seigle with another warrant for violation of probation.
