According to affidavits; LCPD officials attempted to arrest Mr. Young for a capias bench warrant.

Bryson Young was resisting stop, halt,

frisk or arrest and began swinging his fists at responding officers.

Mr. Young attempted to gain control of a X-26 Taser and actively tried to assault one law-

man by kicking him in the groin.

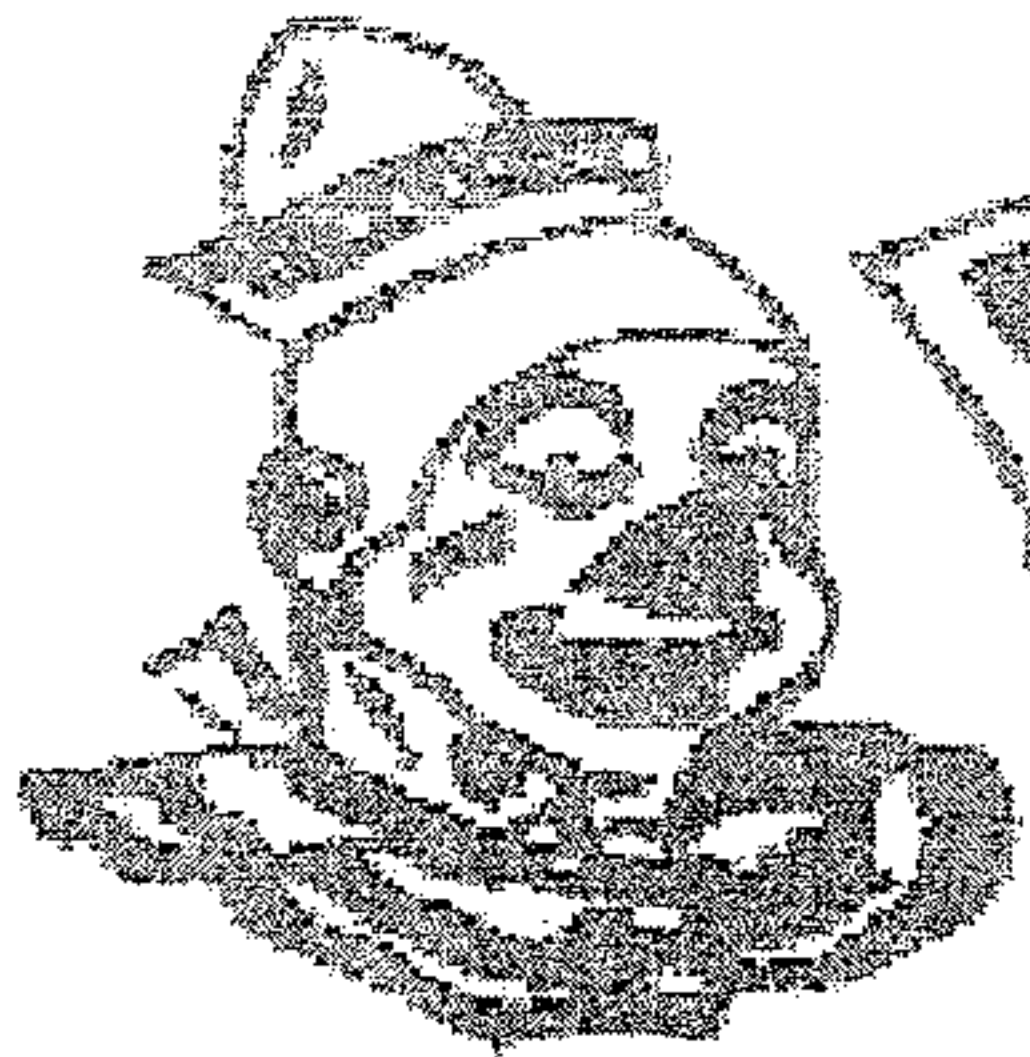

After receiving one 5 second burst from a Taser via drive stun, Mr. Young struck one responding official's arm, which was holding the Taser and then attempted to take the taser from the lawman unsuccessfully.

Mr. Young caused damage to an expand-

able baton holster, rendering it inoperable as well as causing multiple lacerations to a law enforcement officer's left ring finger and left elbow.

Loudon was charged with public intoxication, resist stop, halt, frisk arrest and criminal simulation.

According to reports, Friday, around 11:30 PM, Officer Jonathan Yates, LPD conducted a walk-through check of West Side Terrace

apartments because of numerous complaints of intoxicated people in the parking lot partying, drinking, using drugs and urinating in public.

The officer approached a group of individuals who had a radio blaring with empty beer cans and trash littering the area around them.

someone had made the bogus pass for him. He was transported to the Loudon County Jail and duly charged.

Police Beat

William B. Brewster, 56, West Lee Highway, Loudon was charged with DUI.

According to records, Officer Brandon Nix, LPD was dispatched to a possible reckless driver on Mulberry Street. On arrival, the officer noticed a red Chevy pickup and followed it into the parking lot of the Kwik Pantry.

The driver was identified as William B. Brewster and he had an odor of an alcoholic beverage on his breath and person and was unsteady on his feet. He stated he'd drank around three beers earlier that day and had also taken his medication, which was oxycodone.

Mr. Brewster did poorly on field sobriety tasks and was placed under arrest.

A Hispanic male wearing all black was stumbling around and nearly fell, but when he saw Officer Yates, he ran.

Officer Yates gave commands to stop, but the young man refused and the officer chased him through three parking lots where he finally hid under a Ford Explorer. Officer Yates and Officer Bennie Houser had to forcibly remove the man from hiding under the vehicle where he was arrested without further incident and identified as Francisco Perez Sanchez.

Mr. Sanchez was intoxicated and had an odor of an intoxicant about him. He was unsteady on his feet and uncooperative in speaking with the officers.

Mr. Sanchez had a permanent resident card in his possession that had fake uneven lettering on it, no holograms, upside down reverse side, and it was peeling apart. Sanchez stated

year in which total collections have exceeded the budgeted estimates," Emkes said. "While we've seen growth in sales tax collections for the past 26 consecutive months, the growth has slowed - and corporate tax collections for May were below the budgeted estimate.

"Because the national and global economies remain concerns, we will continue to closely monitor collections and expenditures for the remainder of this year in order to financially posture ourselves for the future."

On an accrual basis, May is the tenth month in the 2011-2012 fiscal year.

The general fund was over collected by \$12.4 million, and the four other funds were over collected by \$3.2 million.

Sales tax collections were \$17.2 million more than the budgeted estimate for May. The May growth rate was positive 4.40%. For ten months revenues are over collected by \$200.6 million. The year-to-date growth rate for ten months was positive 6.97%.

Franchise and excise taxes combined were

\$4.2 million below the budgeted estimate of \$44.8 million. For ten months revenues are \$210.9 million over the budgeted estimate.

Inheritance and estate tax collections were \$2.9 million above the May estimate. For ten months collections are \$40.9 million above the budgeted estimate.

Privilege tax collections were \$2.2 million more the May budgeted estimate, and for ten months collections are \$2.4 million above the budgeted estimate.

Gasoline and motor fuel collections for May increased by 2.46%, and were \$2.2 million more than the budgeted estimate. For ten months revenues are negative 0.57%, and \$4.3 million below the budgeted estimate of \$696.7 million.

Business tax collections were \$9.1 million less than the May estimate and year to date for ten months collections are \$12.3 million below the budgeted estimate.

Tobacco tax collections were \$2.3 million above the budgeted estimate of \$23.6 million. For ten months revenues are under collected in the amount of \$10.0 million.

All other taxes for May were over collected by a net of \$2.1

million.

Year-to-date collections for ten months were \$428.5 million more than the budgeted estimate. The general fund was over collected by \$412.4 million and the four other funds were over collected by \$16.1 million. The FY 2012 revised budget assumed an over collection of \$209.6 million in General Fund Taxes. Therefore, the amount over collected above and beyond what's already in the budget is \$202.8 million (\$412.4 million

minus \$209.6 million).

The budgeted revenue estimates for 2011-2012 are based on the State Funding Board's consensus recommendation of April 15, 2011 and adopted by the first session of the 107th General Assembly in May. They are available on the state's website at <http://www.tn.gov/finance/bud/budget.shtm>.

The State Funding Board met on December 9th and 14th to hear updated revenue projections from the state's

various economists. The board met again on December 19th and adopted revised revenue ranges for 2011-2012. The revised ranges assume an over collection of \$187.8 million to \$220.5 million in total taxes and \$177.0 million to \$209.6 million in general fund taxes from the fiscal year 2011-2012 budgeted estimate. The revised estimates are reflected on pages A-74 and A-76 in the 2012-2013 Budget Document.
