with the big stuff.
Libra 9/23-10/22

Your energy is attracting all sorts of new activities and people to your side -- and that means that you need to sort them out and embrace them all! You've got what it takes and then some, so go for it!
Scorpio 10/23-11/21

You really want to jump into something new that seems fantastic -- but it's too good to be true. Whatever it is won't pay off for you, at least not in the long run, so you're well advised to take a pass.

Sagittarius 11/22-12/21

You feel amped up and interested in whatever is in front of you -- even if it would ordinarily bore you to tears. Embrace this new energy and have fun with work, chores or relationship maintenance.

Capricorn 12/22-1/19

It's hard for you to figure out what comes next, so see if you can get your boss or mate to cut to the chase. Once you know what's most important, you should be able to get quite a bit done.

Aquarius 1/20-2/18

You thought you knew what was going on, but suddenly everything is unclear. That doesn't have to be a catastrophe -- out of ambiguity can come all sorts of great things. Keep looking!

Pisces 2/19-3/20

You need to write your feelings down -- but

don't try to be too specific. Poetry is best for your energy right now, even if you just use it as an offering to the universe when you're done.

Aries 3/21-4/19

Email is the answer to all your problems today -- or most of them, at least! If you can get through your inbox, you can definitely start to move on before much more time passes.

Taurus 4/20-5/20

You spend too much time spinning your wheels today, not getting much of anything done. It's a good day for you to indulge your colleagues, as you are sure to need them in the near future!

Gemini 5/21-6/21

Discussion can lead almost anywhere today -- but it's likely to be good. Your energy is terrific, and you need to make sure that you're speaking to people who share your core values.

Cancer 6/22-7/22

You've got too much input coming your way -- it's hard to discern which is the most meaningful. Try your best to make sense of it, but don't worry if it's all too much.

Leo 7/23-8/22

You are feeling great and ought to throw a party -- or crash one! You may make a new friend, find a new love or just mix things up with an entirely new crowd, but it's fun for all!
