Hunting Season

The antlerless deer bag limits by units are four in Units A and B deer management areas and three per day in Unit L areas. The Tennessee Wildlife Resources Commission approved the Tennessee Wildlife Resources Agency's proposal to increase the antlerless archery season bag limit in Unit B to four deer per season at its 2012-13 seasons setting meeting in May.

The antlered deer bag limit is a total of three for the year. A hunter may take his three antlered deer during any season, but no more than one per day.

In addition to deer, archers may harvest wild turkeys of either sex during the archery-only deer season in counties that have a fall turkey gun hunt. Turkeys harvested during the archery-only deer

season count toward the fall turkey county bag limits. (A list of counties and their bag limits are located on page 32 of the 2012 Tennessee Hunting and Trapping Guide).

The TWRA suggests all archery hunters obtain a 2012 Tennessee Hunting and Trapping Guide. The guide lists the counties and bag limits for each of the different deer management units. The guides are available where hunting and fishing licenses are sold and on the TWRA website, www.tnwildlife.org.

During the opening weekend of the 2011 deer archery-only season, 2,811 were harvested an increase of 407 from 2010. All 95 counties reported harvests during the last year's opening weekend.

Hunters are reminded that they must possess the appropriate licenses and permits. Any hunter born on or after Jan. 1, 1969 is required to carry proof of satisfactory completion of a hunter education class or be in possession of the Apprentice Hunting License (along with other required licenses), while hunting any species in Tennessee.

According to the report, Deputy Cody Fritts, LCSO observed a gold Chevy Blazer traveling at a high rate of speed on Hwy 411, traveling 67 mph in a 50 mph zone. The vehicle turned on Trigonía Road and accelerated as the deputy tried to catch it.

The vehicle continued to travel approximately two miles without slowing down and turned into a residence, then continued up the driveway before coming to a

stop. The deputy made contact with the driver, Vivian Michelle Borden, and reported she had a strong odor of an alcoholic beverage on her person and was unsteady on her feet.

Ms. Borden stated she was coming from Naterz bar in Maryville and she'd had one shot and three beers.

In the passenger floorboard were three empty beer bottles and in the middle console was another empty beer bottle.

Ms. Borden performed poorly on sobriety tasks and was taken to the hospital for a BAC test.

Vivian Michelle Borden, 51, of North Trigonía Road, Greenback was charged with felony evading arrest and DUI. Deputy Cody Fritts, LCSO made the arrest.

Revenues

in Tennessee unfortunately confirm those fears," Emkes said. "Sales tax collections for the last two consecutive months were somewhat weak, but corporate tax collections continued to record respectable growth, all of which kept us above the budgeted estimate before August.

"In light of what the leading indicators are suggesting and federal budget uncertainties, we will continue monitoring the state's spending and revenue patterns as we begin preparations for the 2014 budget."

On an accrual basis, August is the first month in the 2012-2013 fiscal year.

August collections were \$13.8 million

less than the budgeted estimate. The general fund was under collected by \$6.3 million and the four other funds were under collected by \$7.5 million.

Sales tax collections were \$15.7 million less than the estimate for August. The August growth rate was positive 1.13%.

Franchise and excise taxes combined were \$5.1 million above the budgeted estimate of \$30.3 million.

Gasoline and motor fuel collections decreased by 8.30% from August of 2011, and were \$6.7 million below the budgeted estimate of \$73.8 million.

Inheritance tax collections were \$4.7 million above the budgeted estimate.

Privilege tax collections were \$0.6 million less than the budgeted estimate of \$16.4 million

Business tax collections were \$0.8 million above the August estimate.

Tobacco tax collections for the month were over collected by \$0.9 million

All other taxes were under collected by a net of \$2.3 million.

The budgeted revenue estimates for 2012-2013 are based on the State Funding Board's consensus recommendation of December 19th, 2011 and adopted by the second session of the 107th General Assembly in April 2012. They are available on the state's website at <http://www.tn.gov/finance/bud/budget.html>.
