Did you know? The Stinger missile can hit targets flying as high as 11,500 feet and has a range of about 5 miles. This means, in a general way, that if an airplane is less than 2 miles high and it is visible as a shape (rather than a dot), then it is likely that the Stinger can hit it. Stinger missiles are extremely accurate.

Busted

According to the report, Agent Brendan Deboer, 9th DTF conducted a traffic stop on an older model

Ford F150 for failure to maintain lane and for having 4 people in the front seat of a single cab pickup where it was obvious at least one was not restrained.

While talking with the driver, a male sitting in the middle of the front seat told the officer he did not have ID. Prior to the officer approaching the vehicle,

the man began to make furtive gestures and appeared to be hiding something.

The individual was again asked if he had a wallet on him and he told the officer no, and said he thought he had a warrant. The individual was identified as Eugene Ward and he, indeed, had a warrant against him out of Knox County.

Agent Deboer asked permission to search Mr. Ward and Ward stated he had some pills.

The officer reported he found a metal container attached to Ward's key chain containing 5 1/2 oxycodone pills and 2 morphine pills.

Mr. Ward advised he does not have a prescription for the pills and a \$5 bill was found rolled up in his back pocket. This is a com-

mon form of paraphernalia used to snort narcotics.

Eugene J. Ward, 40, of Welch Avenue, Loudon was charged with a warrant out of Knox County, possession of schedule II (oxycodone) and possession of schedule II (morphine).

Also in the vehicle was Timothy Shelton, 29, of Welch Avenue, Loudon, who was charged with a Loudon County capias for failure to appear.

Agent Brendan Deboer, 9th DTF made the arrests.
