The Good News

by Jeff Vittatoe

Where is Your Heart Today?

One of the things that God has revealed to Blondie and me in recent years is that we were putting too much value and too much of our resources into "stuff". We have never been close to wealthy, as wealthy is defined by American standards, but God has blessed

us both with good jobs that has allowed us to buy (or at least finance) many of the desires of our hearts.

About four years ago I decided that I "needed" a side by side (a 4-wheeler with a dump bed) to haul me and all my gear to the tree stand in the fall and to carry

the training room at the DAG's office attended by Roane County Gen-

eral Sessions Judges Dennis Humphrey and Jeff Wicks, as well as Morgan County General Sessions Judge Mike

Davis. Along with members of the DAG's office were Stevens' wife, Lindsey; five month old daughter, Brooklyn; his parents, Martha and Terry Stevens, Sr.; grandfather, Gene Pickel and his mother-in-law, Vicki Hix. The position that Stevens will fill was created as a result of intense lobbying by General Johnson who pointed out that the 9th DAG's Office has not had an increase in the number of Assistant DA's since Charlie Hawk was in office in the late 1990's. "We

have been operating with just five ADAs since 1998 even though the district-wide population has grown from 121,000 in 2000 to over 142,000 in 2010," Johnson stated. He used a chart showing that his office has one ADA to 27,295 persons when the state average for the other 30 DAG offices was one ADA to only 15,669 persons. "We cover four counties, appear before five judges and we are in court every day of the week, sometimes in three different counties at the same time," Johnson explained, "So, especially when I showed the Conference and the State the 'apples to apples' comparison with the number of ADAs other offices have, they were finally able to create us a 'near entry level' position in order to add another ADA." General Johnson described his new employee as a 'good fit'. "Terry

will fill the bill nicely. He has been practicing with Sandy McPherson for about three years, so he already has some experience. He knows the judges, the defense lawyers and the court system in our district. The judges, lawyers and clerks are all familiar with him and, when I started looking for a person for this position, his name was first on almost everyone's list of recommendations."

my harvested deer back to the house so I could alleviate some back pain during hunting season. So I called up my bank, got the green light to write a check and in two days I had a brand new one in my garage. After owning a new bike for a week or so it seemed

only appropriate that I purchase a winch, a sound system, bigger tires and a gun rack to completely pimp my new ride.

A couple of years later I decided that my truck (that was paid for and running fine) was too small and that I needed a newer, four door, four wheel drive to accommodate all of

my outdoor needs. Another call to my banker friend and I was at a dealership writing a \$30,000 check for an F-150 Platinum Edition pickup-truck with automatic drop down step rails, a GPS system, power sliding rear window and seats that contained both a heater and A/C to keep my behind at just the right temperature.

I could go on for days about the man toys that I have purchased over the years but I'm confident you can clearly detect the vanity in my "needs". Some of these

purchases were made even after we began surrendering our lives to the Lord and began going on short term mission trips.

As we continued to grow in faith and ask God to use our lives for the growth of His kingdom, God began to open our eyes to the fact that we were selfish, materialistic and that we were not using what He has given us to glorify Him. God opened our eyes to the families in Guatemala with no power, no stove

or refrigerator, no vehicle and NO SHOES! God showed us needs within our own church family, within our community and within the lives of the people we see every day at the grocery store or Wal-Mart. Compared to 90% of the world's population, everyone reading today would qualify as wealthy. You either spent fifty cents on a Daily Edition paper or you have access to the web which means you have more than many.

Let's take a look at God's word as you consider your investments; James 5:1-6 (NKJV) (1) Come now, you rich, weep and howl for your miseries that are coming upon you. (2) Your riches are corrupted, and your garments are

 moth-eaten. (3) Your gold and silver are corroded, and their corrosion will be a witness against you and will eat your flesh like fire. You have heaped up treasure in the last days. (4) Indeed the wages of the laborers who mowed your fields, which you kept back by fraud, cry out; and the cries to the reapers have reached the ears of the Lord of the Sabbath. (5) You have lived on the earth in pleasure and luxury; you have fattened your hearts as in a day of slaughter. (6) You have condemned, you have murdered the just; he does not resist you.

Needless to say, God's word is pretty clear about us using the blessings that He gives us to invest in the lives of others so they might

see Jesus within us and want to know Him as well. God began to speak to our hearts concerning how we use our resources and we were convicted by our desire for "stuff" when so many around us are struggling to put food on their table. Within the last year we have sold our home, we have sold our side by side, we sold the truck that is now referred to as the "sin wagon", and many other items that we really didn't need. Do we miss those things? No! God has poured out blessings upon our lives that are more satisfying than anything money can buy. We have found true happiness in Jesus alone.

Today's scripture in the Book of James lays it out pretty good but look at how Jesus says

it;
 Mathew 6:19-21 (NKJV) (19) Do not lay up for yourselves treasures on earth, where moth and rust destroy and where thieves break in and steal; (20) but lay up for yourselves treasures in heaven, where neither moth nor rust destroys and where thieves do not break in and steal. (21) For where your treasure is, there your heart will be also.

I'm not asking you to sell your house, to sell your "sin wagon" or even sell your man toys; those were decisions that Blondie and I made within our own family. I am, however, asking you to look at your own life and compare it to the words of our Lord and Savior Jesus Christ as written above. If Jesus says that

our heart is where our treasure is..... Where is your heart today?
 Don't miss out on the blessings that money cannot buy!
