

① In Debbie's latest letter to you Oct 31, 2011
She has conflicting dates of term expiration,
than HUD did in May 2010 Audit &
Debbie's dates in letter conflict with last
page of her spread sheet. This is just
a fiasco! So you can tell HUD
Debbie has 2 sets of date she using &
they have 1.

If we use the 54^{1st apt.} (1958) & go thru
to day that Linda Garner's term was up
vacancy exists
9/2011 & Mary Brown's term ends 9/2012, &
Jeff Ward was appointed to a 5yr (illegal term)
So you contending he illegal apt. to a wrong term
and a vacancy exists & Mary Brown term would
expire ~~9/1/2012~~ ^{JUNE} This ~~is~~ the majority of the Board
is vacant. Delois McAmis should be ineligible
to serve or her sister-in-law should have to Resign
her paid position.

In her letter she admits older Records have
been in Bsmt in RANDOM Boxes With By Laws
& minutes of Board Meeting now moved upstairs

She say that proper paper work had not been submitted for 10yrs (2002-present) & Quote
This was when I really lost track!!!!

So she Really does not know who's who or when their terms expire. So your Remedy is to appoint a whole new board with the terms you designate 1yr-5yr terms with tenant commissioners of a 2yr term.

This would get everything back on a track & it can be kept up with in a more efficient manner. Also official minutes & By Laws can be properly kept.
