## The Good News

by Rev. Dr. Julius McCarter  
Scripture: Luke 10:1-11, 16-20

Jesus sent seventy disciples on an urgent mission. Their timeliness was so imperative that they didn't get to pack a bag or even stop to chat with fellow travelers on the road. They were to quickly reach new populations, teach them about the Kingdom of God, min-

In our last installment, we looked at the history of Loudon County, and explored its earliest city, Morganton. As the railroad came through what is now Loudon County, the river city Morganton faced economic decline and eventually died out. Greenback, on the other hand, was born and began to flourish. These two railroad lines brought economical growth to the small community of Greenback and helped to firmly es-

establish Greenback as a thriving community.

The first bank in Greenback opened for business on January 12, 1912, but closed in March 1931, due to the Great Depression. The Greenback Flour Mill was built in 1919, destroyed by fire in 1929, and rebuilt later that year. The first school opened in Greenback on August 7, 1921, and consisted of only six rooms and an auditorium.

Today, Greenback is celebrated as part of country music superstar, Luke Bryan's, "Farm Tour." Bryan will return this year for a concert at Maple Lane Farms, on October 6.

**Obituaries**

Clayton E. Curtis - "Pop" passed away peacefully at the age of 92 in Chester, VA in the early afternoon on Saturday, January 30, 2016. He was born to the late Wayne and Martha Curtis on November 5, 1923 in Vonore, TN. Pop will be fondly remembered as a loving husband, a generous father, grandfather and a positive, faithful friend. A proud patriot, Pop served his country in the US Navy during WWII. He loved the community of Loudon, and was often quoted as saying "Our town is Heaven on Earth". Pop was an avid lover and breeder of horses, because of his passion, he inspired many to either "conquer their fear" of horses, or he encouraged them to become horsemen as well. He was also a dedicated participant of community parades, especially Loudon and Greenback. Pop often rode his horses in at least two parades on the same day, in the rain, blistering heat or bone-chilling cold. Pop
