Comptroller's OREA Examines Tennessee Charter School Funding

The Comptroller's Office of Research and Education Accountability (OREA) has released a new report examining whether charter schools in Tennessee receive the correct amount of funding from their authorizing school districts.

The report concludes that a definitive answer to the question of whether charter schools have received the correct amount of funding is not currently possible. The Comptroller's Office found there is insufficient clarity, transparency,

and verification associated with the calculation and receipt of charter school funding in Tennessee.

In February 2016, the chair of the Senate Education Committee in Tennessee's General Assembly requested that the Comptroller's Office look into the issue.

The report focuses on four specific issues surrounding funding for charter schools.

One issue is the lack of clarity and consistency among state law, State Board of Education rules, and Tennessee Department of Education policies on the formula districts use to calculate the per-pupil funding that is required by law to follow students who attend charter schools.

Additionally, a lack

of clarity and transparency exists in how additional growth funds a district may receive should be distributed to charter schools. Districts receive growth payments when they experience significant increases in enrollment.

The report also scrutinizes the local funds that are included or excluded from the per-pupil calculation for charter schools.

Lastly, the report found there is no process at the state level to verify that charter schools have received the correct amount of funding. With no definitive funding formula verified by the state, the Comptroller's Office cannot determine whether each district is calculating and trans-

ferring the correct amount of funding to its charter schools.

Madisonville native, EmiSunshine gained national attention at the age of nine when a video of her singing Jimmie Rogers "Blue Yodel No. 6" at the Sweetwater Flea Market went viral. That exposure led to an appearance on the Today Show, followed by touring engagements from

coast to coast. Emi and her family band have performed on the Grand Ole Opera multiple times and have opened concerts for Willie Nelson and Jason Isbell. They will also be opening two shows for Loretta Lynn later this month. A fourth generation musician, Emi first sang in public at a friends wedding at the age of four, and now at age 12, she's in the process of finishing production on her fourth album.

This concert is a benefit for our friends at Good Shepherd Center to go towards their much needed building fund.

For every dollar raised, an anonymous donor will match the total, so please help spread the word about this event.

The EmiSunshine concert will be: Thursday, October 13, 2016 Location is the Hiwassee College Buckner Memorial United Methodist Chapel, 225 Hiwassee College Drive, Madisonville, TN 37354. Doors open at 5:30 PM, Show at 6:30 PM. Tickets \$12.00, Kids ages 6 and under free. Tickets may be purchased at the door, Monroe County Chamber of Commerce, Kahite and Rarity Bay Club Houses.

Stupid

7th century and lasted through the 17th century. I would contend it never stopped but historically the facts below are correct.

This is why I choke when I hear someone say we will defeat or contain these Islamic terrorists in a few years or even 30 years as recently stated by Leon Panetta.

If the latest batch of murders, beheadings, and killing of innocent Christians has shocked you, maybe you should read this compilation of historical facts about

the hatred of Muslims.

WE, THE STUPID
This is all factually (and historically) correct - and verifiable.

In 732 A.D. the Muslim Army, which was moving on Paris, was defeated and turned back at Tours, France, by Charles Martell.

In 1571 A.D. the Muslim Army/Navy was defeated by the Italians and Austrians as they tried to cross

the Mediterranean to attack southern Europe in the Battle of Lepanto.

In 1683 A.D. the Turkish Muslim Army, attacking Eastern Europe, was finally defeated in the Battle of Vienna by German and Polish Christian Armies.

This crap has been going on for 1,400 years and half of the politicians don't even know it.

If these battles had not been won, we might be speaking Arabic and Christianity could be non-existent; Judaism certainly would not exist.

Reflecting : A lot of Americans have become so insulated from reality that they

imagine that America can suffer defeat without any inconvenience to themselves. Pause a moment and reflect back. These events are actual events from history. They really happened! Do you remember?

48 years since 1968 and this just keeps going on and on.

1. In 1968, Bobby Kennedy was shot and killed by a Muslim male.

2. In 1972, at the Munich Olympics, Israeli athletes were kidnapped and massacred by Muslim males.

3. In 1972, a PanAm 747 was hijacked and eventually diverted to Cairo where a fuse was lit on final approach. Shortly after landing it

was blown up by Muslim males.

4. In 1973, a PanAm 707 was destroyed in Rome, with 33 people killed, when it was attacked with grenades by Muslim males.

5. In 1979, the US embassy in Iran was taken over by Muslim males.

6. During the 1980's a number of Americans were kidnapped in Lebanon by Muslim males.

7. In 1983, the US Marine barracks in Beirut was blown up by Muslim males.

8. In 1985, the cruise ship Achille Lauro was hijacked and a 70-year old American passenger was murdered and thrown overboard in his wheelchair by

9. In 1985, TWA flight 847 was hijacked at Athens, and a US Navy diver trying to rescue passengers was murdered by Muslim males.

10. In 1988, PanAm Flight 103 was bombed by Muslim males.

11. In 1993, the World Trade Center was bombed the first time by Muslim males.

12. In 1998, the US embassies in Kenya and Tanzania were bombed by Muslim males.

13. On 9/11/01, four airliners were hijacked; two were used as missiles to take down the World Trade Centers and of the remaining two, one crashed into

the US Pentagon and the other was diverted and crashed by the passengers. Thousands of people were killed by Muslim males.

14. In 2002, the United States fought a war in Afghanistan against Muslim males.

15. In 2002, reporter Daniel Pearl was kidnapped and beheaded by - you guessed it - a Muslim male. (Plus two other American journalists who were just recently beheaded).

16. In 2013, the Boston Marathon Bombing resulted in 4 innocent people, (including a child) being killed and 264 people injured by Muslim males.

No Obama, I really don't see a pattern here

to justify profiling, do you? So, to ensure we Americans never offend anyone, particularly fanatics intent on killing us, airport security screeners will no longer be allowed to profile certain people.

So, ask yourself "Just how stupid are we???"

Absolutely No Profiling! They must conduct random searches of 80-year-old women, little kids, airline pilots with proper identification, secret agents who are members of the Obama's security detail, 85-year-old Congressmen with metal hips, and Medal of Honor winner and former Governor Joe Foss, BUT.....leave Muslim Males alone lest we be guilty of

profiling.

Ask yourself, "Just how stupid are we? "Have the American people completely lost their minds or just their Power of Reason???"

Let's send this to as many people as we can so that the Gloria Alred's and other stupid attorneys, along with Federal Justices, that want to thwart common sense, feel ashamed of themselves -- if they have any such sense.

As the writer of the award winning story "Forrest Gump" so aptly put it, "Stupid Is As Stupid Does."

Each opportunity that you have to send this to a friend or media outlet... Do It! OR JUST SIT BACK, KEEP GRIPING,

AND DO NOTHING. As OBAMA SAID IN HIS BOOK NOTHING ° SOUNDS SO BEAUTIFUL AS THE MUSLIM EVENING PRAYERS FROM THE TOWER.
