

Welcome Back To School 2017-2018

It's that time again as we embark upon another school year and that means more traffic, and extra efforts put in by our local law enforcement. Loudon County Sheriff Tim Guider stated "we are very excited about this upcoming school year and welcome all students back to school, we appreciate you helping us keep Loudon County safe and drug free and remember to buckle up and drive safe in all school zones."

- When you get into the car, adjust all mirrors and seats before placing the key in the ignition. To properly adjust the left mirror place your head against the left window and adjust the mirror so that you can just see the left side of the car. For the right, move your head towards the center of the vehicle and adjust the right mirror in the same way. When you are sitting correctly in the driver's seat, you will not be able to see your vehicle, but your blind spots will be greatly reduced!
- Always wear your seatbelts.
- Always drive with your headlights on, a car is visible for nearly 4 times the distance with it's headlights on even during daytime hours.
- When stopping at a stop sign, be sure to feel the car rock backward and spell S-T-O-P to yourself before proceeding. Always turn your head to look left, then right, straight ahead, then left again before proceeding.

- When a light turns green, look left, then right, straight ahead, then left again before proceeding through the light. Notice all vehicles and ensure that someone else is not going to run the light.
- Keep your eyes moving. Notice what is happening on the sides of the road and check behind you through your mirrors every 6-8 seconds.
- When driving on a two lane road that allows parking on the right, stay toward the center line to allow for room if someone were to open their door to exit their vehicle in front of your car. This forethought will help you from swerving to miss an opening door. If there is no parking allowed on the road position your car toward the right to allow for more room between you and oncoming traffic.
- Expect the other drivers to make mistakes and think what you would do if a mistake does happen. For example, do not assume that a vehicle coming to a stop sign is going to stop. Be ready to react if it does not stop. Never cause an accident on purpose, even if a pedestrian or another vehicle fails to give you the right-of-way.

D.A.R.E. goes way beyond drug and alcohol prevention. Since its' inception in 1983, the D.A.R.E. program has continuously responded to the most important challenges facing our children. While D.A.R.E. remains the largest and most comprehensive anti-drug, alcohol, and violence education program in the world, D.A.R.E. is also tackling major problems facing our children including abuse of prescription drugs, bullying, and internet safety through supplemental curricula.

The Daily Edition Would Like To Thank All Our Sponsors and supporters for this year's Back To School Edition for 2017-2018. Welcome Students and Please Be Safe In ALL School Zones.

Welcome Back To School 2017-2018

Loudon Police Chief Bear Webb reported "we want to welcome all students back for this school year and we want this to be a great year. Our officers will be in the school zones to ensure the safety of everyone."

This year will be a great one and the usual traffic snarls are gonna happen so you may want to leave a few minutes earlier just to map out a good route and plan for drop off and pick up. We would like to give you some safety tips provided by our local law enforcement as well. Be sure to buckle up and drive safe in the school zones. And remember to NEVER NEVER NEVER pass a stopped school bus in either direction which is the whole reason they put the STOP sign out.

CHIEF BEAR WEBB ALONG WITH ALL THE OFFICERS WITH LOUDON POLICE DEPARTMENT ARE EXCITED ABOUT THE 2017-2018 SCHOOL YEAR

LOUDON POLICE DEPARTMENT IS COMMITTED TO A DRUG FREE CITY AND THE WAR ON DRUGS ESPECIALLY IN AND AROUND THE SCHOOL ZONES

Together We Can Win The War on Drugs

Fri	Oct. 27	7:30 PM	at Oakdale
Nov. 3			Playoffs Begin

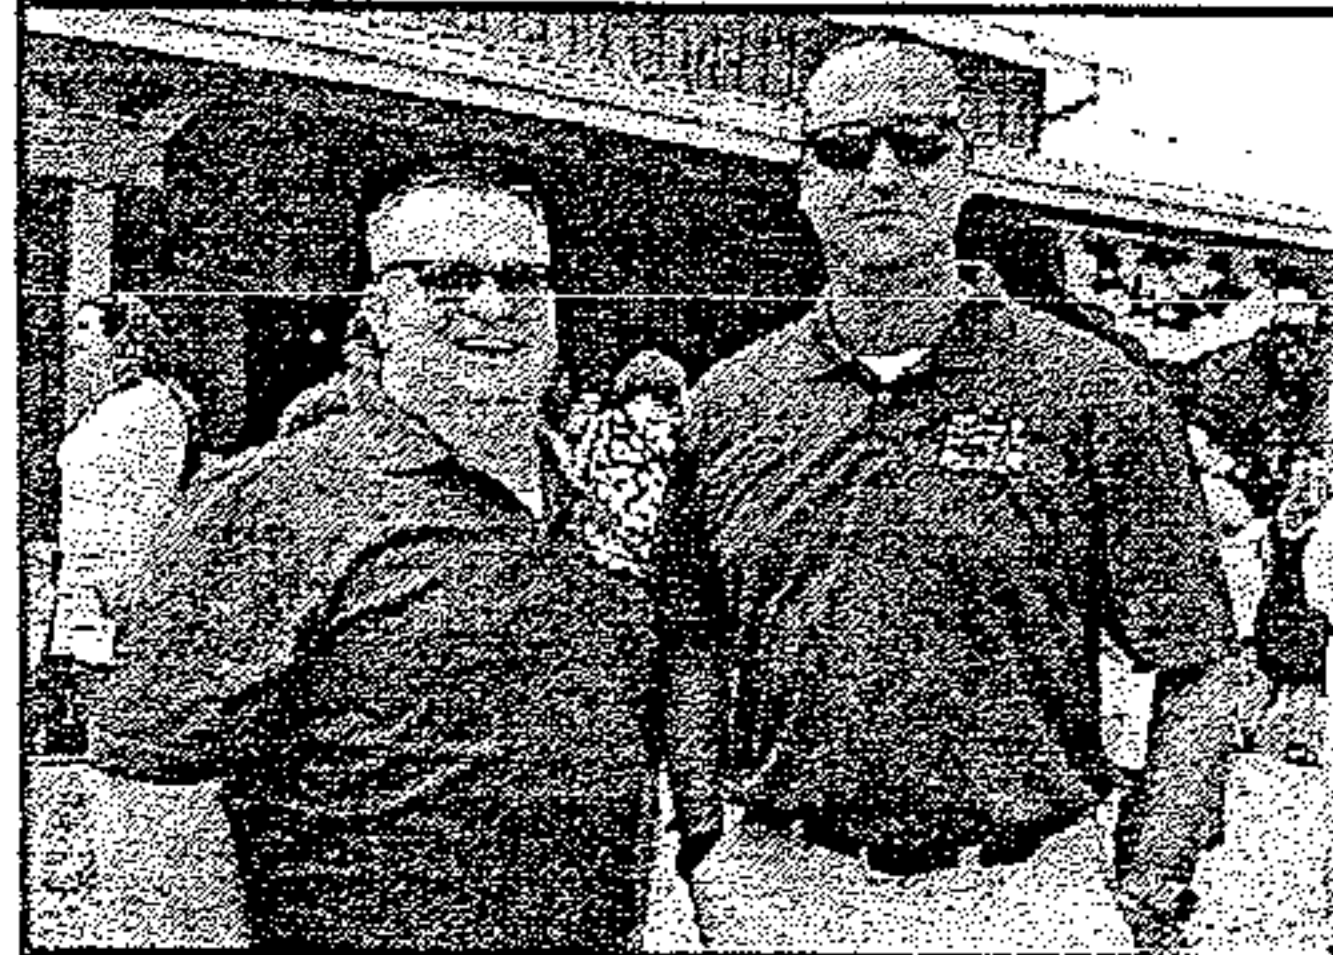

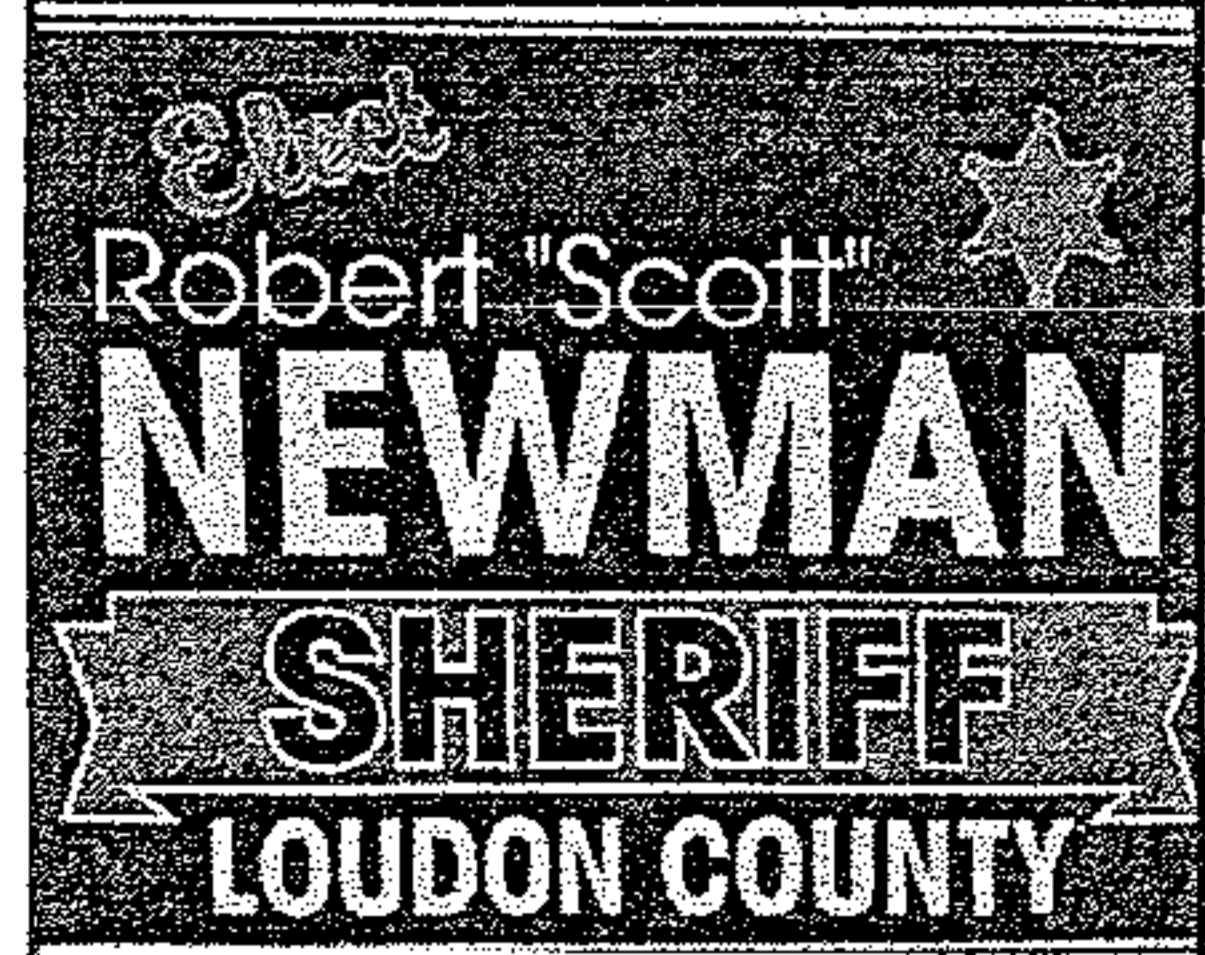

Safe Driving Tips

- Parents, when your teen took on-the-road lessons, the instructor had his/her own rear view mirror. You can also get one for approximately \$4 at any Wal-Mart, Target or baby supply store. They can be found in the baby section and were designed for looking at your baby in the rear seat. They work wonderfully for seeing traffic behind the car when driving with your teen.

Loudon County Mayor Buddy Bradshaw along with members of the Loudon County Commission would like to welcome All Students Back To School for the Year 2017-2018

Please drive safe in all school zones and help protect our future leaders.

Loudon Police Officers Sgt. Scott Newman, candidate for Sheriff in 2018 along with Officer Sam Harrison would like to welcome back all students for the 2017-2018 School Year. Remember to drive safe in All School Zones

Safety precautions are the case throughout the county including Lenoir City. LC Police Chief Don White reported "we will be enforcing the school zones throughout the city to ensure the safety of our students coming back to school this year."
