**Convicted**

a second arrestee during F.M.'s arrest when Tony Bean was the Chief Deputy of the Grundy County Sheriff's Office, in Grundy County, Tennessee. Tony Bean's co-defendant, T.J. Bean, faced a single charge at trial and was acquitted of using excessive force against arrestee F.M. during the same arrest in 2017. Evidence presented at trial in June 2021, over the course of three days, showed that Tony Bean was guilty of federal civil rights offenses.

"Every person in our nation has the right to be free from unlawful abuse by police officers, including the use of excessive force during an arrest," said Assistant Attorney General Kristen Clarke for the Justice Department's Civil Rights Division. "This verdict makes clear that law enforcement officials who use unlawful force are not above the law. We will not stand idly

by in the face of criminal misconduct by law enforcement officials in any part of the country."

"Tony Bean held a position of public trust, and he willfully violated that trust. This violation diminishes the tremendous work performed by law enforcement every day. Our office is committed to ensuring the protection of every person's civil rights," said United States Attorney Francis M. Hamilton III.

"Civil Rights violations are always of great concern, particularly when an officer betrays the oath to protect and serve. The public has an absolute right to trust that law enforcement will protect those they serve. When that trust is violated, the law enforcement community is tarnished, and the community's confidence is broken," said FBI Special Agent in Charge Joseph E. Carnico.

Bean's sentencing has been set for June 24, 2022. He faces

a maximum penalty of 10 years of imprisonment on each of the three counts of conviction.

This case was investigated by the Knoxville Division of the FBI.

Assistant United States Attorney James Brooks of the

U.S. Attorney's Office for the Eastern District of Tennessee and Trial Attorneys Kathryn E. Gilbert and Andrew Manns of the Justice Department's Civil Rights Division represented the United States.

Michael Byrd, 48, Kagley Drive Lenoir City, was charged with Simple Possession x2.

Deputy Clay Jenkins LCSO, came into contact with Michael Byrd who was passed out behind the wheel of a silver Toyota Corolla in the middle of the roadway on Hwy 11 @ Shaw Ferry Rd. To make sure that Mr. Byrd was okay and not under the influence, Deputy then had him exit the vehicle and perform Standardized Field Sobriety Testing. Mr. Byrd did not show signs of impairment and Deputy did not deem him to be under the influence. While speaking to Mr.

Byrd, Deputy Chance Gray then deployed his K9 partner Kora for a free air sniff of the vehicle in which K9 Kora then positively alerted to the odor of narcotics. After probable cause search of the vehicle, it was then found in Mr. Byrd's wallet a small plastic baggy with a brown powder substance which appeared to be Heroin. He was then taken into custody and transported to the Loudon County Jail. Lt. S. Ezell 937 then tested the substance with the TruNarc which then tested positive for Heroin with Fentanyl Compound and Fentanyl Compound or Methamphetamine (scan #1403). All of this did occur in Loudon County, TN.

## Horoscopes

opportunities that have recently come up. Some of these, if implemented, could well change your life in a profound way. You'll want your partner's opinion, since it concerns him or her as well. Choose your words carefully and get the enthusiasm going!

**Pisces 2/19-3/20**

Some welcome visitors from far away could come to see you today and cause temporary chaos in your home. You'll be glad to see them, however, Pisces, as they'll have some great news and fascinating information to pass on to you and your family. You'll want to introduce them to other friends who share your interests. This could give rise to a horrendously messy house, but you'll have fun anyway. Prepare for a highly social evening!

**Aries 3/21-4/19**

News could come your way, perhaps through local magazines or newspapers, about possible renovations occurring in your community. These changes could be rather controversial, Aries, so don't be surprised if you hear a lot of gossip and a number of opinions, both pro and con, on the matter. You might want to delve more deeply into the facts before forming an opinion of your own. This could prove quite enlightening!

**Taurus 4/20-5/20**

If you've been striving for success in the field of writing, speaking, or publishing, Taurus, you have the chance for a real breakthrough today. A large sum of money or an opportunity to earn it in one of these fields might come your way, and you'll definitely want to take advantage of it. It may involve legal papers, such as contracts. This definitely boosts your ego, your mood, and your motivation.

**Gemini 5/21-6/20**

Success and good fortune might be in the wind for you today, Gemini. Whatever it is will probably have you feeling especially elated and satisfied with your accomplishments. You'll want to tell everyone, but this could prove frustrating since some of the people you want to tell might not be reachable today. Hold off on spreading the word until you can inform those closest to you. You'll need and want their support.

**Cancer 6/21-7/22**

Successes have been coming your way continually for a while, Cancer. The downside is that excessive celebrating and overindulging in food and drink could have you feeling physically out of sorts today. Nonetheless, your mood should still be very high, and you should still be strongly motivated to continue whatever it is you've been doing that has brought such positive results. Let your imagination flow freely, and keep on going.

**Leo 7/23-8/22**

Upheavals within a group with which you're affiliated, perhaps professionally, might cause you to alter your goals slightly, Leo. In the long run, this could well prove to be a positive development, although the conditions leading to it could be a bit disconcerting. Think of this as an opportunity to pursue new hopes and dreams that you may not have considered before. Plan carefully and then go for the gold.

**Virgo 8/23-9/22**

A number of people in interesting fields, such as law, education, or writing and publishing, could cross your path today, Vir-

go. This could involve your job, or perhaps these people attend a social event that you host in your home. Either way, some fascinating and useful information could come your way that alters your thinking and nudges it subtly in a new direction. You'll want to make the most of it. Have fun!

**Libra 9/23-10/22**

A chance to take a long journey, perhaps to a distant state or foreign country, could suddenly present itself to you today, Libra. This trip is apt to be far more significant than a simple vacation. It may be career related or involve an opportunity to expand your education. It could also concern a relationship. Whichever it is, you're likely to make the trip and it will probably change your life in subtle ways.

**Scorpio 10/23-11/21**

Some traumas, phobias, or hang-ups from the past that have been limiting you in some way could suddenly come to the surface today, Scorpio. You might get the most insight by analyzing your dreams. The release could be so profound that you have to spend some time alone today, perhaps away from the house, in order to fully grasp it all.

At the end of the day you should feel elated because you'll now see your way toward getting past some of your obstacles.

**Sagittarius 11/22-12/21**

Romantic novels and movies might have caused you to feel especially passionate and sensual. Today you long to schedule a romantic evening alone with a love partner, Sagittarius. Other social obligations could get in your way, however. You might have made these other commitments a long time ago and they may be business related. It might be far later than you'd hoped before you're able to see your friend. Better late than never!

**Capricorn 12/22-01/19**

Although you may have been feeling somewhat out of sorts for the past few days, Capricorn, today you could feel as if you just got a new lease on life. You're in excellent physical, mental, and emotional shape, so you should be raring to go. Both immediate and long-term goals should be easy to achieve while your energy is strong today. Begin working on them; don't put them off. This high level of motivation should continue for a while.
