CDC Director Adopts Preference for Specific Flu Vaccines for Seniors

CDC Director Rochelle P. Walensky, M.D., M.P.H., adopted the Advisory Committee on Immunization Practices' (ACIP) recommendation to preferentially recommend the use of specific flu vaccines for adults 65 years and older, including higher dose and adjuvanted flu vaccines. The preference applies to Fluzone High-Dose Quadrivalent, Flublok

Quadrivalent and Fluad Quadrivalent flu vaccines.

While flu seasons vary in severity, during most seasons, people 65 years and older bear the greatest burden of severe flu disease, accounting for the majority of flu-related hospitalizations and deaths. Additionally, changes in the immune system with age mean that old-

er adults often do not have as strong an immune response to vaccination as younger, healthy people. "Given their increased risk of flu-associated severe illness, hospitalization, and death, it's important to use these potentially more effective vaccines in people 65 years and older,"

see CDC pg. 4

CDC

said José R. Romero, M.D., Director of CDC's National Center for Immunization and Respiratory Diseases. Additionally, data has shown that racial and ethnic health disparities exist in populations that receive a high-dose flu vaccine compared with standard-dose flu vaccines. "This recommendation could help reduce health disparities by making these vaccines more available to racial and ethnic minority groups," said Dr. Romero.

Last Thursday, ACIP voted

to preferentially recommend the use of higher dose flu or adjuvanted flu vaccines over standard-dose unadjuvanted flu vaccines for people 65 years and older. This recommendation was based on a review of available studies which suggests that, in this age group, these vaccines are potentially more effective than standard dose unadjuvanted flu vaccines. Dr. Walensky's adoption of the ACIP recommendation official CDC policy, which will be further detailed in an upcoming Morbidity and Mortality

Weekly Recommendation Report later this summer.

In recent years, CDC has not recommended any one flu vaccine over another for any age group, and there is still no preferential recommendation for people younger than 65. People 65 and older should try to get one of the three preferentially recommended vaccines, however, if one of these vaccines is not available at the time of administration, people in this age group should get a standard-dose flu vaccine instead.

Nicholas Kauffman, 18, Crock Road Loudon, was charged with Driving without a Valid License, Harassment, and Underage Consumption. Deputy Eric Curtis LCSO, responded to the community center at Stone Harbor Blvd to assist Deputy D Harrison with a possible juvenile problem. Upon arrival, Deputy observed multiple patrons of the community center walking around, and Deputy Harrison indicated one in particular that had been uncooperative prior to arrival. The young male was later identified as Nick Kauffman, and was walking around with no shirt and a pair of swim shorts. Deputy remained in the parking lot observing Kauffman's behavior while Deputy Harrison collected information inside. While Deputy was on the scene, he observed the Kauffman subject smoke a cigar in front of his vehicle. When the investigation was concluded, Deputy observed Kauffman enter the driver's seat of a black Toyota SUV and exit the parking lot, driving the vehicle left onto the wrong side of the median on Stone Harbor Blvd, which is readily accessible to the public. Upon review of relevant information, Deputy discovered after the incident that Nick Kauffman did not have a valid driver's license at the time of the incident. Deputy responded to Stone Harbor Blvd again in reference to harassment. Upon arrival, Deputy made contact with the complainant from the previous day. He stated that he had received multiple calls from a private number, but was able to find that the number. According to POA records, that number belonged to Nick Kauffman. The calls were either prank calls or involved threats of violence, and all sounded like the same suspect.

Horoscopes

need to take matters into your own hands. Realize, however, that you can get there many different ways. The first step is to believe in yourself. Anything is possible. Today is a great day to let your imagination call the shots.

Leo 7/23-8/22

If people hassle you or give you a hard time about your appearance today, pay them no mind, Leo. You have the right to live your life any way you want to. If that means you want to go around the house in a grubby T-shirt and tattered sweatpants that haven't been washed in months, then so be it. Feel free to be whoever you want to be.

Virgo 8/23-9/22

Reach for the pot of gold at the end of the rainbow, Virgo. It's closer than you think. Indeed, your dreams are completely within your reach, and there are huge forces at work helping you achieve your goals. You should find yourself in a favorable mood all day. People will be more sensitive than usual to your emotions. Let your fantasies lead the way.

Libra 9/23-10/22

Today is your day to dream and dream big, Libra. Think about what it is that you want most out of life. Aim your arrow to the stars and pull back your bow as far as possible. There's no limit to how far you can go. Your only limitation is your imagination. Don't worry if your plan doesn't seem to make any rational sense. Wor-

ry more about what you want and less about how you're going to get it.

Scorpio 10/23-11/21

Expand your mind to its furthest reaches today, Scorpio. There's an incredible opportunity opening up for you in which you can make great strides in a creative realm. Follow the music. Pick up an instrument, browse an online music store, or listen to your favorite playlist. Let the artist within have room to play. Shoot for a goal and don't stop until you reach it.

Sagittarius 11/22-12/21

Your mind may seem rather cloudy today, Sagittarius, but don't let this hinder you. In fact, you'll find that you can use this feeling of fantasy to your advantage. Try to bring more magic into your life. You'll discover that the more you accept your bizarre feelings and ideas, the more things will fall into place. Don't think that everything in life has to be completely rational.

Capricorn 12/22-01/19

Today is an excellent day for you, one in which you'll find a great deal of strength in your emotions, Capricorn. Trust that your instincts are serving you well. You have nothing to lose by following your heart. This is an important time for you to rekindle the dreams that you've let smolder. Bring more of your fantasy world into your everyday life.

Aquarius 1/20-2/18

Things might get a bit confusing for you today, Aquarius. Don't feel like you need to make sense of it all. In fact,

this task may be impossible. Just be yourself. Let your creative nature shine through. Other people are quite malleable, and you should feel free to take the lead in just about any situation. Make sure, however, that you consider other people's needs.

Pisces 2/19-3/20

Mix your reality with a bit of fantasy today, Pisces. Allow your feet to come off the ground for a little while. Give yourself a rest. Take some time to meditate and clear your mind of your daily worries. Calming, relaxing activities are the best way to spend the day. Spend time communicating with friends and feel free to go deep into conversations regarding outlandish subjects. Allow yourself to dream.

Aries 3/21-4/19

Let yourself go into high creative mode and drift into a whole other world, Aries. Escape your present reality and explore your fantasies through any sort of artistic endeavor. Dream as big as your mind allows. There's no limit to the things that can manifest on a day like today. Push your limits and test your boundaries. You may be able to soar much higher than you think.

Taurus 4/20-5/20

You'll find that things are slipping nicely into place for you today, Taurus. Your persuasive manner and gentle nudges are just enough to get people where you want them. Control is all yours if you want it. Remember that you need to be willing to accept the blame for failure as well as praise for success. Any risks you take today, however, are likely to work out in your favor.

Gemini 5/21-6/20

When faced with ten entrees on the menu, it might be hard for you to choose just one. Feel free to order two or more, Gemini. Don't let indecisiveness slow you down. At the same time, don't view it as something negative. The key for today is to go with the flow. Expand your dreams as far and wide as you wish. Have fun as long as you're willing to take full responsibility for your actions.
