Unemployed

Robert White, 42, Racoon Valley Road Maynardville, was charged with Criminal Impersonation, and Public Intoxication.

Deputy Bengel, along with Deputy Parton LCSO, responded to the TA Truck Stop at Watt Road, in reference to a Suspicious Person call. The Complainant, an employee at the TA, stated that there was a male "tweaking and scaring customers" and gave a description of the male. Upon arrival Deputy made contact with the Of-

fender, Robert White. White stated that he was waiting for Sheriff Tom Spangler and his wife to pick him up and give him a ride.

The report noted, throughout our conversation White would ramble on about unrelated topics and was hard to understand due to his slurred and mumbled speech. After several minutes of talking to White he consented to HGN. Due to the totality of the circumstances, Deputy took White into custody for Public Intoxication. White was a clear danger to himself

and the public if he was left alone. While clearing out his backseat to transport White to jail, White again stated that he was waiting for Sheriff Spangler. White added that he was waiting for Sheriff Spangler to bring his "badge and car". When asked if White works for the Knox County Sheriff's Office he replied "yes sir, I do, call Sheriff Spangler and he will verify". When Deputy clarified and asked White if he was a Deputy with Knox County, White rambled on and stated "yes". Depu-

ty asked White if he was a police officer in the state of Tennessee and he continued to ramble on making reference to Sheriff Spangler once more and responding "yes". White was transported to the Loudon County Jail. Deputy called and spoke to an administrator with the Knox County Sheriff's Office and verified that White was not affiliated with KCSO. White does have a criminal history in Knox and Loudon Counties. Said events occurred in Loudon County, TN.

Horoscopes

Aries 3/21-4/19

Your sixth sense is right on target, Aries, so trust your instincts today. You're likely to connect with someone in a wonderful partnership that will help you foster the very plan you want to develop now.

Taurus 4/20-5/20

Take a break from your routine, Taurus. You might feel like you're leading an army into battle as you strive for new adventures and conquer new realms. Make sure you take a bit of time out today to stop and let your troops rest. You deserve a little rest yourself.

Gemini 5/21-6/20

The key for you is to minimize your daily drama as much as possible, Gemini. You may not realize how much you cripple yourself by the way you exaggerate every aspect of your life.

Cancer 6/21-7/22

Be careful of advertising

yourself as someone who is so strong and mentally competent that you're capable of handling everything, Cancer. Take note that the strongest mule on the trail usually ends up carrying the most weight.

Leo 7/23-8/22

Things should flow well for you today with very little effort on your part, Leo. Take note that if any quarrel arises, it's an indication that the person you're arguing with isn't necessarily the right person to deal with or confide in. Emotional issues are likely to be the hardest ones to overcome, but this shouldn't be a problem for you.

Virgo 8/23-9/22

This is meant to be a nice, relaxing day, so treat it as such, Virgo. There's no need for you to plan any great strategy at this time. Try to take it easy and not indulge in any unnecessary stress. This is your time to enjoy the moment. Don't tax your mind by overanalyzing everything that

comes your way.
Libra 9/23-10/22

Your sensual nature is heightened, Libra, and you'll find yourself engaged in tender moments and languid peacefulness in the company of others. Soothe your soul by letting yourself slip into situations that give you the emotional freedom to do or say whatever comes to mind.

Scorpio 10/23-11/21

Allow your eager and restless nature to express itself in ways other than through the spoken word, Scorpio. Show someone that you care through your gentle touch or a big bear hug. Hold on a little bit more tightly than you might normally.

Sagittarius 11/22-12/21

This is a terrific day for you, Sagittarius. You should find that your relationships, especially with men, go exceptionally well. Your tender and extremely sensitive nature is finally being recognized as the treasure chest it is. There are many times in which this type

of personality is seen as weak, yet today is one of those times in which you're given the full credit you deserve.

Capricorn 12/22-01/19

A selfish attitude on your part won't be tolerated today, regardless of the circumstances, Capricorn. Don't make it worse for yourself by pretending that you don't notice others' hurt feelings. People are likely to be extra sensitive today, so be careful about trying to impose your will on someone who really wants nothing more than an ear to talk to and a shoulder to cry on.

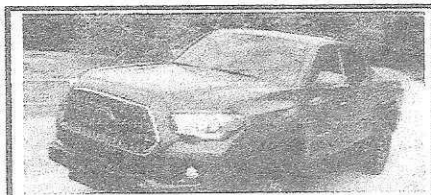

Aquarius 1/20-2/18

You could find the hardest person to face is you, Aquarius. You tend toward introspection, and you may find yourself shrinking into self-recrimination. You could analyze the important people in your life and yet fail to address the one you really need to look at - you. As you continually strive for perfection, give yourself proper credit. Do something nice for yourself today.
