Former Greeneville Dance Team Booster Treasurer Stole Thousands

An investigation by the Tennessee Comptroller's Office has resulted in the indictment of Kimberly Brown, the former treasurer of the Greeneville School Support Corporation's Dance Team Booster Club. The dance team booster club supported the Greeneville Middle and High School dance teams.

Comptroller investigators determined that Brown misappropriated at least \$6,079.79 from the booster club from September 2021 through November 2022.

Most of the money was stolen when Brown wrote reimbursement checks to herself and a family member totaling at least \$5,669.79. Brown admitted that much of this money was used to pay person-

al medical bills.

Brown attempted to explain her reimbursement payments by presenting investigators with three fabricated sales orders and one fabricated invoice as justification. Investigators confirmed with club vendors that the documents were not valid.

DUI

Jonas Morales, 23, Coulter Street Loudon, was charged with DUI

Officer Trey Clemmer LPD, received a call of a reckless driver in front of Loudon High School stating that a Lincoln sedan was swerving all over the roadway and also driving in the wrong lane. The officer noticed the vehicle leaving the Dollar General on Mulberry and followed the car traveling down Ward Avenue. As the officer was following the vehicle he observed the car drive on the double yellow line numerous times and initiated a traffic stop and made contact with the driver. As the officer was speaking to the driver he noticed a strong odor of an alcoholic beverage omitting from his breath and persons and asked the male subject for his license in which he handed the officer his wal-

let. The officer then asked the individual to step out of the vehicle and approach his car, while the male was walking the officer noticed he was having trouble maintaining balance and that he was having to hold himself up with his car and he had also soiled himself. The officer asked the subject how much he had to drink tonight and he stated one beer, the officer then ran his license to check status and for local warrants and dispatch informed me that Jonas Calderon Morales was clear and valid. The officer asked Mr. Morales if he could perform some test and he stated yes, the test was ended early for Mr. Morales's safety because he couldn't maintain balance. Mr. Jonas Calderon Morales was placed under arrest for Driving Under the Influence and transported to Loudon County Jail. The above actions did occur in the city Loudon.

WATER SYSTEM FLUSHING PROGRAM

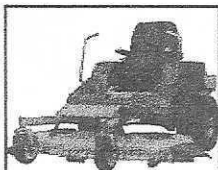

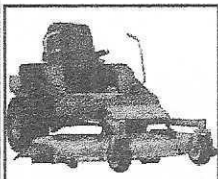

The Lenoir City Utilities Board (LCUB) and Lenoir City Fire Department will be conducting our semi-annual water distribution system wide flushing program per Tennessee Department of Environment & Conservation Water Quality Control Requirements. The Flushing Program will occur for LCUB customers on Sunday, April 14, 2024, from 6:00 p.m. until 2:00 a.m. thru Saturday, April 20, 2024, until 3:00 p.m. The program goals are to identify problems in the water system and ultimately have them corrected. When fire hydrants are flowed, iron deposits in the water lines become agitated. This may cause a brown discoloration to the water in the area which is being flushed. This condition is only temporary and will normally correct itself in a number of hours. During this period of flushing, LCUB recommends that you flow your cold water prior to use to determine if there is any discoloration. While the water is still safe for consumption, we recommend not laundering white clothes without first testing the water for discoloration. If your water is discolored, it will clear up on its own under normal usage over a period of time. It is also best to limit the use of your hot water until the water flows clear as this will keep the iron deposits from going into your water heater. You may also notice a drop in water pressure during these times; however, the water pressure should return to normal within a short period of time. If you continue to experience difficulty with your water pressure or continue to have discoloration of water on Monday, April 29, 2024, please contact LCUB at 1-844-OUR-LCUB (687-5282) to report the problem.

Charged

Michael Sonnier, 42, Rocks Spring Annex Lenoir City, was charged with Domestic Assault.

Jessika Wilson, 34, Waller Street Loudon, was charged with Mfg/Del/Sale or Poss. of Meth, and Poss. of Drug Para.

Officers with LCPD, were dispatched to Tractor Supply in regards to an ongoing domestic in the parking lot. The parties involved matched the description of a couple who officers had two prior domestic calls on earlier in the day, and after arriving on scene, was confirmed by the manager. The manager stated that his employee (Michael Sonnier) drove past him and told him to call the cops and then left the scene with the passenger (Jessika Wilson). Officers were able to locate the vehicle (597BLNC) and conduct a traffic stop at 6th Ave church of God. Contact was made with the Sonnier first who told officers that nothing

happened and no one put hands on anyone and reiterated that in his written statement. When Jessika was asked what happened she stated that her and Sonnier were arguing prior to arriving at Tractor Supply and while in the parking lot said that he threatened to drag her out of the vehicle if she didn't get out. Sonnier re-entered the vehicle and then left the parking lot heading South on Hwy 321 and Jessika further stated that while driving, Sonnier back handed her in the mouth, put his finger tips to her eye sockets, and placed his palm over her mouth and was pulled over by officers shortly after. Jessika attempted to record the altercation but officers could not see any of the incident clearly. Sonnier was determined to be the primary aggressor and was placed in custody for domestic assault. Jessika was placed in custody for an earlier incident (20240410670). Both were transported to the Loudon Co

Jail and the vehicle was impounded by Malone's. This did occur in Lenoir City, Loudon Co, TN

Horoscopes

Horoscope

Taurus 4/20-5/20

Today there are many areas in which you can shine, Taurus. You need only be yourself to win over the hearts of others. There is a graciousness to your manner that draws people close to you, whether or not you've ever noticed it before.

Gemini 5/21-6/20

If you're feeling needy today, you might consider seeking counsel from others, Gemini. Close partners might make light of the situation, so if you're looking for deep metaphysical advice, you might want to look elsewhere.

Cancer 6/21-7/22

Get out in the fresh air today in whatever way suits your fancy, Cancer. It's important to exercise your body with some brisk physical activity, or at least refresh your spirit with a ride in a convertible.

This is a terrific time for you, Leo 7/23-8/22

Making decisions today is apt to be nearly impossible for you, Leo. That's why you should leave them up to someone else. Walk with your partner so you don't have to really think about where you're going.

Virgo 8/23-9/22

This is going to be one of those days when you get annoyed if someone takes too long to make up his or her mind about something, Virgo. You aren't going to have the patience to abide anyone who continues to go over every single detail of an issue.

Libra 9/23-10/22

Use the power of words as an artistic medium to express yourself, Libra. You have a magic way with words that often goes unrecognized. Your sensual nature is poetic. You shouldn't deprive others of this talent, so show it off to the world.

Scorpio 10/23-11/21

Whatever you're working on at this time can be expanded tremendously with the help of a partner, especially a creative project or written work, Scorpio. Watch as one seed of an idea blossoms into a whole field of creativity.

Sagittarius 11/22-12/21

Take advantage of the light-hearted, flighty feeling of the day instead of getting annoyed by it, Sagittarius. You can't hide in your bedroom forever. Well, you could, but you'd end up wasting away and no one would even notice.

Capricorn 12/22-01/19

The more you talk to people, the more successful you'll be, Capricorn. Everyone is a valuable resource, so tap in to this boundless well. Your agility with words and facts is impressive, so use it to your advantage.

Aquarius 1/20-2/18

Be careful of people who talk a great deal and promise the

world but have a difficult time delivering the goods, Aquarius. You might get trapped today if you rely on people who simply don't come through the way they said they would.

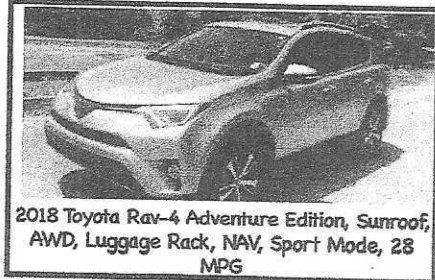

Pisces 2/19-3/20

Your positive strength is especially noticeable today. You may find that you're radiating gloriously to the people around you, Pisces. This is due to your polite, gentle, and peaceful nature. You're the jewel that isn't always noticed or appreciated as much as it should be. More than likely, you leave it up to others to make the first move. Consider being the instigator today.

Aries 3/21-4/19

Aries, instead of digging deep into the barrel looking only for the misshapen, bruised, and rotten apples, concentrate on bringing up the shiny, bright red ones. This way you'll bring laughter and smiles to the company around you rather than miserable frowns.
