Operation Level-Up: How the FBI Is Saving Victims from Cryptocurrency Investment Fraud

Initiative has already saved thousands of victims an estimated \$285 million

The scenario is sadly all too common: people make a connection online and develop relationships that often feel authentic — whether professional, platonic, or romantic. After gaining trust, their new online partner presents a seemingly

legitimate investment opportunity in cryptocurrency, promising big returns.

Unfortunately, both the relationships and the investments are fake, causing some victims to lose their entire life savings, homes, or retirement accounts. Law enforcement, members of the media, and criminals use different terms to describe these scams, often referring to them

by the derogatory term “pig butchering.” The FBI categorizes them as confidence-enabled cryptocurrency investment fraud.

“It’s a growing problem, and it’s a big problem affecting many Americans,” said James Barnacle, deputy assistant director of the FBI’s Criminal Investigative Division.

was being harassed by the driver of a gray Honda Pilot and perceived that driver to point a black handgun in his direction. Mr. Pennington stated that he responded by retrieving his AK Pistol (loaded and chambered) from the passenger seat and placed it on his lap.

This described firearm (Serial: M92PV012372) was observed partially concealed on the passenger seat during officer encounter.

Officer J. Pistole was met by the Victim who provided a written statement describing a road rage incident in-

volving the Prius where he stated that the Prius prevented him passing on numerous occasions while traveling on Hwy 321 N. The victim explained that when he was able to pass the Prius, he observed the driver display his middle finger before raising what appeared to be a rifle and point it directly at him. Officer Pistole stated that the verbal description of the firearm from the victim was, "I saw a circle in a circle". This description was also consistent with the firearm that was located. Based upon these actions. The victim called 911 for police response.

Mr. Pennington was taken into custody for Aggravated Assault and transported to the Loudon County Jail without incident.

This did occur within Lenoir City, Loudon County, Tennessee.

Drugs

Richard Sisson, 34, Loudon Ridge Road Lenoir City was charged with, Mfg/Del/Sale or Poss. of Meth, and Poss. of Drug Para.

Matthew Gibson, 38, Holland Trail Lenoir City, was charged with, Mfg/Del/Sale or Poss. of Meth, Man/Sell/Del/Resale Sch. II, and Poss. of Drug Para.

Officer R. Miller, with the Lenoir City Police Department, initiated a traffic stop on a silver Jeep SUV in the parking lot of Arby's in Lenoir City, TN for the front seat passenger not wearing a seatbelt while the vehicle was in motion on a public roadway and a registration violation. Upon the traffic stop the front seat passenger was identified as Matthew Gibson and the driver was identified as Richard Sisson.

While speaking with both subjects at the passenger's side window the officer visually observed a glass pipe that laying in plain view that contained a brown waxy residue laying on the front dash where the radio of a vehicle is usually located. Based on the officer training and experience, the pipe containing the brown waxy residue is commonly used to smoke marijuana with. The officer then had both subjects step out of the vehicle. A probable cause search of the vehicle was then conducted where the officer retrieved the glass pipe, he visually located sitting in plain view during the beginning of the traffic stop. Located along with the pipe was small bag containing a brown powdery substance believed to be either heroin or fentanyl (approx. 0.68 grams). GIBSON was then

placed under arrest. Further into the search of the vehicle, GIBSON made a statement towards the officer stating that what he was looking for was in the passenger's side door. Located in the passenger's side door was a black case which had a bag containing a crystal-like substance believed to be methamphetamine (approx. 7.67 grams)

along with a digital scale, several unused small bags "dime bags" along with a bag of new hypodermic needles. The Tur Narc Drug Analyzer was used for testing - the brown powdery substance tested positive for Fentanyl Compound or Methamphetamine and the crystal-like substance tested positive for methamphetamine.

FBI

But through Operation Level Up, the FBI is trying to save victims from losing their hard-earned money.

Level Up is a proactive initiative to identify and notify victims of cryptocurrency investment fraud. Using sophisticated techniques, the FBI identifies victims who are actively being defrauded and promptly intervenes by calling those victims directly.

As of January 2025, the FBI has notified more than 4,300 potential victims, saving them an estimated

\$285 million.

One victim contacted by the FBI told agents he was planning to invest an additional \$1 million before he picked up their call. Another planned to sell her home to make a \$500,000 investment, and another withdrew \$500,000 from his retirement account. After the FBI's intervention, these victims did not make any further investments.

Most of the victims contacted by the FBI are unaware they are being scammed. Some victims were so emotionally impacted by the scam, they were referred to the FBI Victim Services Division and provided

direct support or suicide intervention.

Protecting and preventing Prevention and education are the keys to stopping these scammers. We know that some victims are reluctant to trust unsolicited warnings when they are initially contacted

by the FBI. When victims receive these calls, FBI agents will offer ways to confirm their identities. The FBI will never ask you for your personally identifying information, for money, or to move your assets to a new account.

Horoscopes

volved, as they will be today.

Aries 3/21-4/19

There could be a great deal of friction in your world today, Aries, as stubborn minds aggressively come into conflict with each other. Be careful how you treat others, because feelings are likely to be hurt if you're insensitive.

Taurus 4/20-5/20

Things should go nicely for you today, Taurus. You will find that the brighter you shine, the more prosperity will come your way. Things should flow smoothly, and your mind will be clear and strong. There is a marked aggressiveness to your nature that is powerful and effective.

Gemini 5/21-6/20

You may need to make some mental adjustments in order to get on the same wavelength as other people today, Gemini. You may not see what all the fuss is about. Don't take things too seriously and don't feel like

you need to make sense of every detail that presents itself. Some things are best left unknown.

Cancer 6/21-7/22

There may be important lessons about balance that come up today, Cancer. Make sure you're ready to handle the fire, because it will be coming at you. Egos are large, and everyone is going to have an opinion on everything. Tension may exist, but this doesn't mean you should back down from your position.

Leo 7/23-8/22

The events of the day might leave you feeling a bit confused and bewildered, Leo. Perhaps you're feeling like you aren't getting the attention you feel you deserve. You may wonder why the one thing you want the most may be the one thing you can't have. You have more than you think you do. No one wants to be with someone who's moping and depressed. Let your internal light shine brightly.

Virgo 8/23-9/22

This is a terrific day for you, Virgo. You will find that your mind and your urge for action are on the same page. The fire within you is raging hot. Use this aggressive internal urge to tackle projects that require courage, strength, and a flair for the dramatic.

Libra 9/23-10/22

Feel free to be a bit more selfish than usual, Libra. You might find yourself turning inside out in order to get your point across. Attend to your dreams and ambitions and let your voice be heard by the crowd. Don't be surprised if you meet opposition, but don't take this as a sign that you should back down.

Scorpio 10/23-11/21

You might find that your desire to conquer is active today, Scorpio, and that your mind is right in line with the urge to take action. Listen to this and stoke the internal fire. You will find that you can increase your circle of influence by a great

deal as long as you're willing to take a decisive risk in how you approach every situation.

Sagittarius 11/22-12/21

You might find it necessary to give yourself a bit of self-healing, Sagittarius. Other people may want your attention, looking for advice and help with their own sob stories, when in reality you have your own matters to take care of.

Capricorn 12/22-01/19

This is a terrific day for you, Capricorn. You can accomplish a great deal when you set your mind in motion. There's a strong, warlike instinct within you that's fired up and ready to fight.

Aquarius 1/20-2/18

Being of service to others is important, Aquarius, but make sure that you're taking care of yourself, too. Turn up the heat and let yourself expand into other worlds today. There may be an extra amount of dramatic flair that goes along with the events of the day, so participate in the absurd.
