Former Fentress County Rescue Squad Captain Stole \$22,829

An investigation by the Tennessee Comptroller's Office, working in conjunction with the Fentress County Sheriff's Department, has resulted in the indictment of Mark Crabtree, who served as captain within the Fentress County Rescue Squad.

Investigators determined that Crabtree misappropriated rescue squad funds total-

ing at least \$22,829.13 between December 2022 and December 2023.

Crabtree stole the money in three ways:

\$11,700 by writing seven unauthorized checks to himself for personal use. Crabtree signed both his and the former treasurer's names on the checks.

\$9,943 by making 47 unauthorized ATM withdrawals and one over-the-counter cash

withdrawal for his personal use.

\$1,186.13 by making 18 unauthorized personal purchases with the rescue squad debit card.

On January 27, 2024, Crabtree was removed from his position as captain.

Based upon this investigation, in June 2024, Mark Crabtree

was indicted by the Fentress County Grand Jury on one count of theft over \$10,000, one count of forgery over \$10,000, and one count of fraudulent use of a credit or debit card over \$1,000.

“Rescue squad officers should be sure that financial duties are separated between more than one person. Crabtree maintained records and was involved in collecting,

depositing, and disbursing funds,” said Comptroller Mumpower. “Additionally, the rescue squad must do a better job of maintaining supporting documentation for purchases and withdrawals, and accounting for fund-raisers.”

Assault

Paulette Jennings, 76, Oakmulgee Circle Loudon, was charged with Assault.

Deputy Owens LCSO, was dispatched to Leona Dr. in reference to an assault. Upon arrival contact was made with the victim who advised that he was sitting on his back deck when he observed his neighbors picking up items along the shore line that belonged to his daughter. At that point he proceeded down to where they were located and began to confront them about tampering with his belongings. When the victim made contact with his neighbors he advised that they became irate with him and told him that it was their property and his daughter's belongings should not

have been laying down on the shore. The victim then explained that when the neighbors became irate he pulled out his cell phone and began to record their behavior. The victim advised that the conversation became heated and at that point Paulette Jennings (offender) began to swat/swing at him in an aggressive manner, and then she spit into victims face.

The incident was caught on camera and the deputy was able to review the video and confirm the victim story. The deputy then made contact with the neighbors a male and Paulette Jennings to get their side of the story. When the deputy made contact with them they were both agitated and upset about the situation. It was very difficult to have a conversation

with the two due to them not allowing the deputy to speak. It was explained to Jennings and the male that the shore line is TVA property and that it is open to the public and they have no right to dispel any

property that does not belong to them. The deputy then explained to Jennings that her actions were unacceptable and she was then placed under arrest for assault without further incident.

Petitions

There are currently two local petitions for registered voters of Lenoir City that are currently circulating. You can go by the EZ Stop on Broadway and sign one or both of the petitions.

The first petition is to place on the ballot the allowing of retail package stores in the City of Lenoir City. Whether you are for or against the issue you should have the right to decide and this petition simply places the option on the ballot for the november election.

The other petition is to request the Lenoir City Council to allow the voters of Lenoir City to decide on incorporating the Lenoir City School System into the Loudon County School System. This item can only be placed on the ballot by the council so this petition is to request they place the issue on the ballot to let the voters decide.

The City of Lenoir City already allows liquor by the

drink and we have wine in the grocery stores and package stores in the City of Loudon and of course Knox County. If approved by the voters the sale of liquor by a retail store will immediately impact the sales tax base as well. With Lenoir City having one of the lowest sales tax rates it will be imperative that continues and be used as a draw from outside areas as well.

If the item fails we will continue to have non sales tax producing businesses take up valuable commercial property.

The other petition is to request the Lenoir City council to have the County Election Commission allow the voters of Lenoir City to decide on incorporating the Lenoir City School System into the Loudon County School System.

The Lenoir City School System has asked the voters for a sales tax increase three times that has failed each

time overwhelmingly. This item if approved by the council and placed on the ballot to allow the voters to decide to give the schools to the county basically.

This will only affect a handful of people including the director, her secretary, and the school board. The rest of the staff including every teacher and principal will go on business as usual.

If the merge of the schools fails then it will go on business as usual for them as well.

Please sign these petitions for or against and let us all VOTE!!!! Wanna sign the petition(s)? Give us a call at 865-771-2249
