ed to speak. Hold on Wayne, Shaver countered. That has nothing to do with the agenda, you know better than that. I haven't finished, Mr. Schnell said. Yes you have, replied Shaver.

Van Shaver is not the Commission Chair; and his terse command was out-of-order. Robert's Rules of Order and procedural rules are frequently ignored.

So I am not allowed to speak at any of your meetings for anything unless it's on your agenda. Is that correct asked Schnell? Correct replied Shaver.

Mr. Schnell is a disabled retired Bronze Star combat veteran who served our country to protect our liberties and freedoms; brave men and women who put their

lives on the line defending our country. Yet, he was silenced from exercising his First Amendment Right of Free Speech.

Commission workshop's is the best venue for citizens to share concerns for informal discussions. Yet, citizens do not have the right to voice concerns if it is not on the meeting agenda, which Chairman Henry Cullen and commission control.

Van Shaver is a relentless critic of Lenoir City Hall; however, city government offers two comment periods from citizens, at the beginning, items on the agenda; and right before adjournment, items not-on-the agenda.

In 2015, County Commission changed procedural rules and removed the second citizen public comment

period on matters not-on-the-agenda, prior to adjournment. Commissioner Shaver was quoted in the other paper... "the board was under no obligation to allow public comments at meetings. "There is no right to speak at one of these meetings. Let's make it real clear," Shaver said "We don't have to permit any public comment..." as he continued timing citizen comments.

Regrettably; America Land of the Free and the Home of Brave was not on display at the commission March 17th workshop meeting. Mr. Schnell, a brave patriot, is owed a public apology for the deplorable behavior of Commissioner Shaver.

God Bless America.

continue its current practices for storing, managing, and protecting customer data, 23andMe intends to sell substantially all its assets as part of the bankruptcy process. Those assets include personal data and DNA samples

provided by 23andMe customers, and it is unclear how a purchaser will treat such sensitive information and genetic material.

Due to this uncertainty, General Skrmetti is notifying 23andMe customers of their rights to download their personal data from their account, delete their account, and instruct the company to destroy their biological sample and not use it for research purposes.

“Our genetic information is some of our most personal data, giving insight about not just us but our families,” said Attorney General Skrmetti. “People trusted 23andMe with their DNA to learn more about who they are, and now the company appears poised to sell that incredibly sensitive data to unknown buyers. Any Tennessee consumer

### Horoscopes

**Taurus 4/20-5/20**

Things may come to you more easily than usual today, Taurus. This is a sign that you're on the right path and doing things correctly. Life shouldn't have to be full of stress and heartache.

**Gemini 5/21-6/20**

Check your messages often, Gemini. Someone is trying to contact you and you may keep missing each other by minutes. It's important to connect with this person to take care of some matters.

**Cancer 6/21-7/22**

You will get much farther than you think today, even with minimal effort, Cancer. There are plenty of avenues to take now, so even if one is jammed, there's always another that you can reach easily.

**Leo 7/23-8/22**

Don't get too caught up in the emotional side of life today, Leo. Keep things light and

keep them moving. A rolling stone gathers no moss. Unfortunately, you may have quite a bit of that green stuff growing on you now. Get up and get moving. One little bit of effort will send you off and running. Don't hesitate. You're ready to take the plunge.

**Virgo 8/23-9/22**

Try not to be overwhelmed by the frenzied activity around you, Virgo. Unexpected variables are popping up everywhere, and your first reaction may be to flip out. This is the opposite reaction that you need to have now. Calm yourself down and take small bites. Don't try to eat the whole eight-course meal in one five-minute sitting.

**Libra 9/23-10/22**

It's time to bring more fire into your life, Libra. Consider calling up an old flame or friend from the past who stirs the passion within you. Inspire your inner yearning for excitement and adventure.

**Scorpio 10/23-11/21**

This is one of those days in which you may ask for five minutes to complete a certain task and an hour later finally finish whatever you set out to do. Keep in mind that this isn't necessarily a bad thing.

**Sagittarius 11/22-12/21**

Don't be afraid of the fire today, Sagittarius. Instead, embrace it and incorporate more of it into your life. Certain people may intimidate you at first, but that doesn't mean you should run away from the scene.

**Capricorn 12/22-01/19**

Tackle things that require high energy today, Capricorn. This is your day to make short work of chores, errands, or any sort of physical activity. Patience is the thing that you will lack, if anything, but don't worry, because your strengths lie elsewhere now. Your heart is apt to sing once you get going on a personal project

about which you feel passionate.

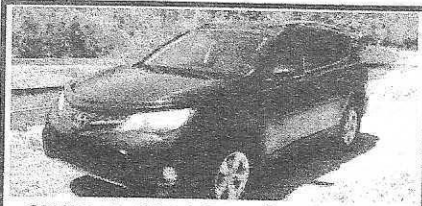

**Aquarius 1/20-2/18**

Even though you feel most comfortable when things are organized and meticulous, Aquarius, you're going to need to be flexible. Allow room for surprise and adventure. Bask in the adventurous spirit that must be adopted when you walk out the door with no idea where you will end up. People and situations that come around today are likely to be foreign but friendly.

**Pisces 2/19-3/20**

Finding balance in your world will be no sweat once you get into the groove, Pisces. Waking up is likely to be the most difficult part of the day, but once you conquer that incredible feat, you should be fine. Try taking a cold shower instead of a warm one this morning. This will serve to open up your mind and get your blood pumping when you need it most.

**Police beat**

Joshua Duggan, 21, Steekee Road Loudon, Loudon, was charged with, DUI, and Violation of Implied Consent.

Sgt. Pesterfield LCSO, witnessed a black Toyota Camry turn on Poplar Street from Highway 11 in Loudon and stop in the middle of the road on Poplar Street. The driver stayed in the middle of the road for about thirty seconds before turning left into a business parking lot at the intersection of Commerce Street and Alma Place. When the driver made the turn, the deputy noticed that both the driver and passenger doors were open while the vehicle was moving. The driver then parked in a parking spot in the lot. The deputy pulled up to the driver's side of the vehicle, leaving a path for the driver to leave and not activating his emergency equipment. When the deputy approached the vehicle, he asked the driver if he was ok and what was going on. He relayed he had broken up with his girlfriend and that he was upset. The deputy noticed a strong odor of an alcoholic beverage emitting from the vehicle. The driver's speech was slowed, and his eyes were bloodshot and watery. I also saw that the driver had vomited on himself. When the deputy asked why the doors to the vehicle were open, he said that it was because he was vomiting. The deputy asked the driver if he had consumed alcohol, which he denied multiple times. When asked why the deputy could smell alcohol coming from his person, he responded that he didn't know. When asked what made him throw up, he said, "Nervousness." the deputy then asked the driver, now identified as Mr. Joshua Dugan, to perform Standardized Field Sobriety Testing (SFSTs), which he refused. The deputy placed Mr. Dugan in custody at that time. After being read the TN Implied Consent Advisement, he also refused to submit a blood or breath sample for chemical testing. Mr. Dugan was transported to the Loudon County Detention Center without incident.
